MUST LEARN TO USE FREEDOM, SAYS WRITER

Rosamond Pinchot in Magazine Declares Liberty Great If Not Abused

Freedom, that vague and highly generalized term used every day in connection with the new woman and modern youth, is defined in a new vay by Rosamond Pinchot, who played the nun in Morris Gest's great spectacle, "The Miracle."

Classifying modern youth as a riddle which deserves to be placed in a niche with almost unanswerable problems of the ages, Miss Pinchot, niece of Gifford Pinchot, governor of Pennsylvania, and daughter of a prominent New York family, admits in The American Magazine that the pleasures to be had from society and great wealth have never appealed to her. Her life philosophy is well summed up in these words:
