Anyway if Cal fails to get many fish in Wisconsin, it won't be because he has scared them away by talking too loud.

Just as Cal seems to catch the fish by keeping still while fishing, the politicians say they often catch the voters in the same way.

Now that Mr. Coolidge is finally to retire from the White House, not so many dear friends will be anxious to renew acquaintance with him.

Question asked why the non-voters of Illinois do not vote? Well, for about the same reason why they are so often asleep when our old friend Opportunity knocks at their door.
