NOTABLE LEADERS VISIT BIG CAMP

C. M. T. C., FORT SHERIDAN

General Summerall and Others Talk to Students; Program For Week; Visitors Welcomed

Camp Holiday, the Citizens Military training camp at Fort Sheridan, will be the objective during the next months of outstanding figures in the military life of the nation.

The special events scheduled during August, which visitors have found and will find unusually interesting, are:

Major General Charles P. Summerall, chief of staff, U. S. Army, inspected Camp Holiday on Thursday, Aug. 9. He addressed the students in the grove at the east end of the great parade ground at 10:45 a. m.

Atwood Talks
On the same day Harry Atwood, president of the Constitution Educational association, gave a stirring speech to the Camp Holiday men, in the grove, at 1:15 p. m. Later that same afternoon occurred a full parade and review of the entire camp, with the 2nd Inf. band and the C. M. T. C. band, followed by the ceremony of "Retreat," when the colors were lowered from the tall post flagstaff.

On Tuesday, Aug. 14, General Allen, chief of Infantry, U. S. Army, was scheduled to visit Camp Holiday and review the students. General Crosby, chief of Cavalry, will visit the post on August 17.

D. A. R. Day
"D. A. R. Day" is Thursday, Aug. 16, when the Daughters of the American Revolution will be present several hundred strong. There will be parade and review, and "Retreat" on that day also, beginning at 4 p. m. The final games and athletic contests will be played on August 21st, Tuesday, and the various prizes and medals will be publicly awarded for military, academic and athletic merit, at a mass formation on Thursday, Aug. 23. On this day also will be held

the final parade and review. Many distinguished persons have been invited to be the guests of Major General Paul E. Malone, commanding general of the Sixth Corps Area, for this occasion.

All of these events are open to the general public and residents of Lake county are given a special invitation to attend the camp.

ENLARGE PLAYGROUND OF GLENCOE SCHOOLS

Enlargement and improvement of the playground at the Central school in Glencoe and the installation of traffic barriers at the South school is expected to be completed before the opening of the fall term on September 10 as a result of action taken by the Board of Education last week.

The school board, with the consent and co-operation of the village board, has awarded a contract to the Public Service Company of Northern Illinois for the erection of lighted barriers, and "street closed" signs on Lake street at Jackson, on Monroe street at Lake, and on Lake street at Linden. These barriers will exclude all vehicle traffic from Lake street between Jackson and Linden, and the street thus cut off will provide a protected playground for the youngsters.

If the tramps go into the cities, they are likely to get put to work digging ditches, while if they go out in the country, some farmer will set them to work hoeing corn.
