GALA REFRESHMENTS TO CLOSE RAVINIA

MONDAY EVENING, SEPT. 3

Four Operas to Contribute Most Notable Acts; Famous Artists to Take Part; Other Notes

What is undoubtedly the most artistic season in the history of Ravinia opera will reach its close on Monday night, Sept. 3, when a gala program representative of several of the season's outstanding successes will be given. It is the aim of Mr. Eckstein to make this closing performance a memorable affair, and with this end in view he has completed a program which will permit of the appearance of most of those world artists who have been heard at Ravinia this year, those artists to be cast in excerpts from the operas in which they have been highly successful.

Acts From Four Operas
Four operas will contribute their most interesting acts to the gala which Mr. Eckstein has arranged. These are "Fra Diavolo" of which the first act will be given; "Don Pasquale" represented by the second scene of act two; the Nile scene from "Aida" and the third act of "Martha." The first act of "Fra Diavolo" is at once one of the most melodious and most amusing acts to be found in the whole of opera. Miss Florence Macbeth will be heard as Zerlina, the spirited heroine of this work, while Mario Chamlee will be cast as Fra Diavolo, the romantic bandit of the title. M. m. e. Bourskaya and Vittorio Treviani will be seen as an amusing English couple, while Virgilio Lazari and Giordano Patrineri will be the comic henchmen of Fra Diavolo. Jose Mojica will appear as Lorenzo and Louis D'Angelo will be the stern father who imagines.

If a resident of the city has such a book the library should be glad to see it and if possible procure a copy.

DEERFIELD SILVER JUBILEE SUCCESS

PARADE FINE PROGRAM

Home Team Wins Ball Game 4-3; Perfect Weather; Big Crowd; Chamber of Commerce Merits Praise

Deerfield's Silver Jubilee celebration on the annual Deerfield Day last Saturday was a complete success throughout. The parade was a notable one with many good features, the afternoon attractions were according to schedule, the ball game was a thriller, Deerfield winning 4 to 3 in 11 innings, over St. James team of Highwood, and it was a fine game throughout, with each side staging a splendid sample of baseball. The weather was perfect, and that was an important factor in the success of the event. Crowds were large and everybody had a good time. While reports are not all in, it is indicated that the Deerfield Chamber of Commerce cleared in the neighborhood of \$2,500 for the community chest.

Monster Parade
The parade started at two o'clock headed by the chief of police, Henry Petersen, and other motorcycle escorts from Deerfield and the surrounding towns.

Next in line followed the Deerfield stirring marches and the subsequent concert that they gave added materially to the enjoyment of the day.

The Deerfield Post of the American Legion held third place in the line with the American flag, and the Post Colors flying. The Deerfield Post men were most active in all of the affairs of the day. Chas. G. Kapschull was the chairman of the parade. The village officials came next, then the officers of the Deerfield state bank in Rudolph Lauer's automobile.

The Deerfield Fire department in their bright red machine followed, with the applause of the crowd.

The center of attraction was the group of children, from tiny three

Let Contracts for Two Bridges; Levy Ordinance Passed

The city council held a short session on Monday evening, the principal business being the awarding of the contracts for the Dean avenue bridge and the Cary avenue footbridge and the passing of the annual tax levy ordinance. The board of local improvements did nothing of importance at this session, it is reported at the city hall.

The contracts for the Dean avenue and the Cary avenue bridges were awarded to the Harry Greene Construction Co., whose bids were the lowest opened at the previous meeting. The price for the Dean avenue bridge is \$39,878, and for the Cary avenue bridge, \$8,549. Promptly on Tuesday the contracting company started operations, and it is expected that both bridges will be finished in record time. These bridges both are badly needed, as the old ones have been in bad condition, and the improvements will be widely appreciated.

The annual tax levy ordinance was passed without alteration from that placed on file at the last session of the council. It carries a total of \$262,813.75. This ordinance distributes among the various city funds only the money raised by taxation. The appropriation ordinance, passed previously, appropriates for city purposes in the various departments all money received by the city through taxation and from all other sources.

Maj. Gen. Paul B. Malone, commander of the Sixth Corps Area of the United States Army, was the speaker at the regular luncheon session of the Highland Park Rotary club at the Moraine hotel at noon Monday, and his talk was one of the best which the local club has had the privilege of hearing since its organization. General Malone is a real orator, and his eloquent, forceful and interesting address was listened to with profound attention by the club members present. He spoke of world conditions which lead to wars, explaining many points of international relations clearly and concisely, and his talk was an illuminating and instructive one.
