Seat Doings**

The Rev. Herbert B. Gwyn, of St. Lawrence's Episcopal church, Libertyville, for the past five and one-half years, has made known his resignation from his post in Libertyville and on the first of October, will leave for Tiverton, Rhode Island, where he has accepted the Rectorship of Holy Trinity church in that city.

It is expected that Libertyville Township High School board will order a special election held to vote the proposed \$100,000 school bond issue when it convenes in special meeting this week.

Contrary to expectations Supervisor David Van Patten and M. E. Amstutz of the office of County Superintendent Ralph M. Lobdell succeeded in considerable right-of-way last week in Newport township for route 173, Zion to Rosecrans.

The road and bridge committee of the county board last week awarded the contract on approaches to the Lake County General hospital to Darrow & Barron, of Waukegan. The bid of this firm was \$490. Work is to be started immediately. The approaches are to the driveway.

W. O. Winch of the Channel Lake Pavilion was badly injured in an auto accident last week, when the car in which he was returning to his home in Antioch left the road and went into the ditch. It is believed that the heavy fog which prevailed throughout the county was the cause.

Chairman Thomas V. Murphy of the county board has appointed Supervisor Frank Burk, chairman of the detention home committee, Mrs. Mary Polmester-Pusk, probation officer of the county court, Philo Burgess, superintendent of the poor farm, and Supervisor Wilcox to represent Lake county at a convention on September 25. The meeting is that of the Illinois association of county and detention home superintendents and matrons and supervisors and is to be held at Quincy.

WHEELING PUPILS ARE SENT TO D. S. H. S.

"Forty members of the Deerfield-Shields high school band are from the musical towns of Lake Bluff and Northbrook" was announced in "General Ex" in the school on Friday noon. This is one feature of the exclusion of 190 students from the non-high school districts.

The following young people of Wheeling have enrolled at Deerfield-Shields high this week: Phyllis, Frances and Blanche Rogalski, Edna Hoffman, Mary Bargo, Margaret Coleman, Fritzi Wick, Dorothy Balling, John Forke, Oscar Lawrence, Delbert and Ralph Richardson and Herbert Gussert. With the exception of the Rogalski's the young folks are provided transportation with the Childerley school bus.

WILMOT P. T. A. WILL OPEN SEPTEMBER 21

The Parent-Teacher association of the Wilmot school will hold its first regular monthly meeting at the school Friday evening, Sept. 21, at 8 o'clock prompt.

A health program will be presented with a playlet by three members entitled "Listening Chl."

WANTS BOUNTY PAID ON WOODCHUCKS, CROWS

Supervisor Kelsey of Barrington was to recommend to the county board that a bounty be paid by the county to persons killing crows and woodchucks. He suggests that thirty cents be paid for woodchucks killed and fifteen cents for crows.

Much damage has been done in Lake county during the past few months by crows and woodchucks, so Supervisor Kelsey reports. He says that by paying a bounty the county will benefit considerably.

The Barrington supervisor says that crows have damaged crops and devoured many birds in the county this summer. Woodchucks, Kelsey says, dig holes in the fields and hurt crops and also do damage to trees.

LEGION AUXILIARY PLANS OCTOBER DANCE

Mrs. Harry Maw reports on Convention at Meeting Monday

The Deerfield American Legion Auxiliary on Monday evening, Sept. 17, met at the home of Mrs. Earl Frost.

Mrs. Harry Maw, who attended the Department Convention at Waukegan as delegate gave a splendid account of activities. A letter was read, received from Mrs. Grace B. Veterans Base hospital during the past year including monthly check of three dollars for sewing, curtains, bus fare to convey patients to the ball games in Chicago and donation toward new printing press.

The farewell address from the outgoing department president, Marie Bradley Ennis was also read. She reported that \$10,000 has been expended in Child Welfare and more than \$41,000 by the department and units in rehabilitation which does not include all of the donations other than cash.

P. T. A. ACTIVITIES BEGIN TOMORROW

DEERFIELD GROUP MEETS

Appoints Various Committees for Coming Year

On Friday afternoon at 2:30 p. m., September 21, the Deerfield Parent Teacher association will open their activities in the school.

It is hoped that all parents will attend the meetings of the P.T.A., which represents co-operative efforts of the home and the school working together hand in hand, to that end that our children receive the greatest and most worth while things out of the great social heritage of the past.

The new president, Mrs. Julian Smith is a woman of charm, intelligence and ability, eager to carry on the work of her predecessors and put forth some new ideas. She is very anxious to meet the members of the association as her acquaintance among them is limited in as much as her residence in this community has been short.

Mrs. Smith has chosen as her co-workers the following women who have been active in the association in the past:

Program Committee, Mrs. W. B. Metcalf, Mrs. W. W. Geary, Mrs. R. Farmer; publicity, Mrs. Alex Willman and Mrs. J. A. Reichelt, Jr.; finance, Mrs. William Galloway, Mrs. Lewis Ashman and Mrs. Chas. Kapschull; hygiene, Mrs. A. R. Warner, Mrs. F. G. Piepenbrock and Mr. Bates; child study group, Mrs. Irving Brand, leader, and Mrs. Frank Russo, assistant; social committee, Mrs. J. A. Stryker, Mrs. E. Wood and Mrs. Harry Olendorf.

There is scheduled for the afternoon a brief business session, which will be followed by a reception to the teachers and the hostesses will include the social committee a mother from the kindergarten, Mrs. Alex Willman, from the first grade, Mrs. Chas. Piser and from the second grade, Mrs. G. A. Willen.

FALLS DOWN STAIRS IS BADLY INJURED

A member of the Bleimehl family in Arlington Heights had an accident last week, as recorded in a local paper:

"Mrs. James McElhose had a severe fall Tuesday morning in her home. Mistaking the door to the bath, she opened the door to the basement and fell down the stairs, sustaining severe cuts and bruises which with the shock have been serious for her to pass through. She is still very sore and miserable. It is hoped no serious injury will follow."

P. T. A. RESUMES ITS VARIOUS ACTIVITIES

What Interest Should Parents Have In This Organization?

Since our schools have begun another year's work we are once more reminded that it is time for the P.T.A. to again take up its activities for the welfare of the school, the children the home and the community.

Let us remember that each little unit in each local school is a part of a great state organization and also of a national movement.

The National Congress of Parents and Teachers is the Parent Organization.

Both National and State Congresses have important programs and plans of work mapped out and we must fall in line and co-operate if we would do our part in P.T.A. work.

The program is first of all one of child welfare and of education.

Education in the school, the home and the community for the welfare of the children must be our first consideration. All else is secondary. During the year it is hoped the parents will take a real interest in P.T.A. work and attend the meetings. Watch the local papers for all information and notices of meetings. Let each one answer the following queries:

What kind of a P.T.A. would we make if every parent an interest would take?

How strong would the P.T.A. really grow if every parent would join it now?

What kind of a P.T.A. would ours be if every member were just like me?

What kind of work would our P. T. A. do?

If every member were like me too? How much will it hinder the work if some of our members find fault and shirk?

How much good can we do this year, if every member works with good cheer?

Answer these fair for your children's sake, and in P.T.A. work a real interest take.

PAPER COMMENTS ON D. S. H. S. SITUATION

Non-High School Tax to Increase; Will Create Rural High Schools

The Arlington Heights Herald in the issue of September 14, made the following comment on the school situation at D. S. H. S., following the exclusion of students from their town from our high school:

As we go to press reports reach this office that the students who transferred from Arlington Heights high school to Deerfield-Shields high school this fall, have made application for re-admittance at Arlington Heights. The matter will be considered by the Board of Education this evening.

The non-high school district tax is going upwards and it is believed that it will not be long before the tax payer in a non-high school district will be required to pay a tax as great, if not greater than the man whose property lies within a high school district. Arlington Heights, Palatine and some other local high schools have accepted the tuition fee that is offered them by the non-high school district. The action of Deerfield-Shields may be followed by other high schools who have large enrollments.

The folly of small high schools or the creation of high school districts in small rural communities is seen in the situation at Lake Zurich. It will be many years before that high school will be on a par with neighboring schools or be in a position to give its students standard high school education. At present some people residing in the district, desiring to send their children to a larger school, find that they are unable to do so unless they pay the tuition themselves. Even then, the neighboring school has the right to refuse them on account of crowded conditions.

The American people are urged to study the tariff, but at last accounts it took all their time to study the ball scores.

Our people show a great deal of enthusiasm for the cause of reform, except when it comes to reforming themselves.

ANNUAL CONVENTION OF W. C. T. U. OCT. 9

Lake County Division to Meet in Lake Forest; State Meet Oct. 23-26

The annual convention of the Lake County Woman's Christian Temperance Union will be held at Lake Forest, Ill., on Tuesday, October 9. Morning session begins at 10 o'clock in the M. E. church. The state convention will be held at Evanston, Ill., Oct. 23-26.

Evanston was the home of the founder of the W. C. T. U., Frances E. Willard. Her church, her home, and the National Headquarters there will be of interest. Since these two conventions are so near it is hoped many Deerfield people who are interested in temperance, prohibition, law enforcement, and the real political situation will attend them both and get reliable information on all these questions.

AVIATORS DON'T MIND
