BRIEF NEWS ITEMS FROM LAKE COUNTY

NEIGHBORHOOD JOTTINGS

Interesting Happenings About This Part of North Shore and Vicinity; County Seat Doings

The proposed addition of a new rural route from the Libertyville post office assumed tangible shape last week when two inspectors from the Post Office Department at Washington arrived in the village and went into conference with Postmaster E. E. Ellsworth concerning the new route.

John H. Rahling, Sr., passed away last week at the home of his daughter, Mrs. Conrad Sherer, 536 McAlister avenue, Waukegan where he had been confined to his bed since July.

The Libertyville township high school board has authorized the calling of a vote on a \$100,000 bond issue for the purpose of adding classrooms and a gymnasium to the building in Libertyville.

States Attorney A. V. Smith last week was in bed suffering from a new attack of stomach trouble. He hoped to be back in his office in a few days if his strength were sufficiently returned.

With their home totally destroyed and all of their possessions lost in the hurricane at West Palm Beach, Fla., Mr. and Mrs. C. E. Hall and child, former residents of Waukegan, are now homeless and penniless in Palm Beach, according to word received by relatives in Waukegan.

Suffering from a possible fracture of the hip, Mrs. A. Johnson, mother of Abart Johnson, Chicago, who has a summer home at Diamond Lake was held prisoner for all of one night and part of the next day in the cottage through her injury and the fact that her pet dog would not allow anyone to enter the place.

North Chicago's rapidly expanding industrial section, that boasts some of the largest factories in the country, will find a new addition within the next few months, according to Alderman Bohus Raue, who declared that the Chemical Products company, of Milwaukee, was to erect a \$40,000 structure there to house its business.

Beginning last Saturday, the fire danger and hazard was greatly lessened in Libertyville by the arrival of the 500 gallon Type 90, American LaFrance triple combination pumping engine and fire truck, which was bought some months ago by the village council. The reported price of the new apparatus is approximately \$7,000.

FLORIAN SAVAGE HURT IN AIRPLANE CRASH Loses Control of Plane; Falls 1500 Feet; One Companion Killed

Florian Savage, oldest son of Mr. and Mrs. Herbert Savage of West Hazel avenue, was severely injured in an airplane crash at 77th street and La Crosse avenue in Stickney township, Sunday afternoon. Two other young men, Nelson McMahon of Cambridge City, Ind., and Russell Hawkins of South Shore Drive were in the plane and suffered severe injuries.

Savage and Hawkins were rushed to St. Bernard hospital and McMahon to Engelwood hospital following the accident. The latter suffered broken right leg, left arm and jaw and will recover while Savage's nose was broken and skull fractured and is in a critical condition. Hawkins had a fractured skull and two broken ankles and died Monday afternoon.

The plane in which they were riding is owned by Prairie Air Service corporation of which three men were employees.

The plane went out of control as the pilot was stunting at an altitude of 1,500 feet.

W. C. T. U. CONVENTION IN LAKE FOREST OCT. 9

The County Convention of the Lake County W.C.T.U. will be held Tuesday, Oct. 9, beginning at 10 a. m., and will be held in the M. E. church at Lake Forest, Ill.

It will be well worth it to attend this one day convention and hear good speakers on many important questions.

Lake Forest is convenient to reach by auto car or North Shore electric line.

It is hoped many from Deerfield will attend and be benefited.

The State Convention will be held in Evanston, October 23 to 26.

Plan to attend and don't miss this great opportunity so near at hand.

URGE P. T. A. GROUPS TO PREPARE SCRAP BOOKS

Mrs. Walter Buhlig Prepares
Publicity Campaign; District Meet Oct. 3

Mrs. Walter Buhlig Past-President of the Illinois Congress of Parent-Teacher associations, and at present seventh vice president and publicity chairman of the State associations, has outlined a prodigious publicity campaign for the P. T. A. for the coming year.

Each local association is urged to make a scrapbook of its own school's P. T. A. publicity—Local books only are asked for at the National Bureau for the next national convention.

However, district books will be exhibited at the State convention. Last year the book prepared for this district won first prize at the state and in the National Congress.

Local newspapers are very generous of their space for Parent-Teacher associations news.

By giving full publicity to the activities of each association District 21, which includes all of Lake County and Northern Cook County, stands a fair show of winning first place on its publicity scrap books for the 1929 conventions.

GARDEN CLUB HOLDS INTERESTING MEETING

Schools to Receive Bulbs from National Garden Association

A regular meeting of the Garden club was held on Wednesday, Sept. 19, at the home of Mrs. Frank Russo with Mrs. F. K. Browning as assistant hostess.

A report from the Flower Show committee showed that the show was very successful. Both the Junior and Senior Garden clubs took part. A rising vote of thanks was given the committee, Miss Sadie Galloway, Mrs. A. R. Warner and Mrs. C. W. Boyle for their efforts.

The National Garden association is distributing bulbs among Garden clubs to be used in public grounds. The 250 tulips which the Deerfield club expects to receive will be planted around the two schools.

The October meeting will be held at the home of Mrs. Julian Smith on October 17th.

The subject for the day was "Fertilizers" and was ably treated by Mrs. Julian Smith. A discussion followed of the various fertilizers used by different members and it was very enlightening.

The meeting adjourned for a social hour.

One of the most "stirring events" of these times occurs at 6:30 a. m., when the housewife stirs up a nice batch of muffins.

N. S. REALTORS TO CLOSE ON SUNDAYS

TRY PLAN FOR 3 MONTHS

Board Vote to Experiment With
Idea from Oct 1 to Jan. 20;
Action Is Practically
Unanimous

By an almost unanimous vote, the stamp of approval was put on Sunday closing, by the members of the North Shore Real Estate Board after a vigorous discussion at the monthly meeting of the organization held last week, at the Glen Gables Tea Room in Glencoe. From some fifty members and associate members there came but one dissenting vote.

While the voting indicated that Sunday closing is popularly favored by the great majority of members, it does not mean that the rule which will close every real estate office of every member of the board beginning the first Sunday in October is to be enforced permanently. What it does mean is that "Sunday closing" is on trial.

That a closed office on Sunday would be experimental was determined only after all angles involved were discussed at length. Failure to take any definite action on the Sunday closing question at the August meeting a questionnaire was sent to each member for the purpose of learning just where they stood on the proposition. The answers were read at the meeting last week and the three questions asked in the questionnaire brought varied and interesting opinions.

Questions Asked
The questions asked were: Shall the offices of the members of the North Shore Real Estate Board be closed on Sunday?

Shall the members of the board close on Sunday, but advertise houses open for inspection on Sunday?

Shall the members of the board make appointments on Sunday?

The answers showed forty seven offices in favor of closing, but the other two questions brought a conflict of opinions. Some members favored showing houses and after a considerable debate on the matter of making appointments on Sunday it was decided to ignore the question of appointments and call a vote on the first two propositions, the rule if passed to be effective for a period extending from the first Sunday in October to January 20. As has been mentioned this was passed almost unanimously and the first Sunday next month will find all membership offices locked. Also no houses will be open for inspection.

Offices Affected

The offices to be affected by the new rule are located principally in Wilmette, Winnetka, Glencoe, Highland Park, Glenview, and Deerfield. Real estate men who are not members of the board are to be asked to follow the Sunday closing lead. The rule does not affect subdividers offices.

PUPILS FROM THIS SECTION IN SCHOOL

Five students from Highland Park and 67 from other North Shore communities have registered for the fall semester of the National Kindergarten and Elementary College which opened last week (September 19). Miss Florence Boyd and Miss Ruth Siljestrom have returned for the second year of the course and Miss Nettie Grimson, Miss Marguerite Sullivan and Miss Margaret Sweeney for the third year. An interesting feature of the enrollment is the increased number of students in the third and fourth year classes, the number being nearly double that of any previous year.

MANY PRESENT AT EASTERN STAR MEETING

There was an unusually large attendance at the meeting of Deerfield O. E. S. Chapter held in Masonic Temple, Thursday evening when advanced officers night was observed. Mrs. Clarence Sherden presided and was assisted by Mrs. Bernice Maw and Mrs. Alvin Knaak. Visiting officers also filled stations including Mr. Douglass from Pearl Harris Chapter, Chicago, as worthy patron.

There were guests from Libertyville, Waukegan, Wilmette, Winnetka, Wheeling, Glenview, Highland Park, Lake Forest and Chicago. Mrs. Vivian Scott Past Worthy Grand Matron of Illinois was the guest of honor.

Against a background of beautiful bouquets of flowers the impressive ceremonies were performed.

Refreshments were served in the dining room concluded the program for the evening.

DEERFIELD SCOUT NEWS

Deerfield Scout Troop 52 got away for a fine start at a big campfire Rally in the Presbyterian church last Friday evening. Associate Scout Executive McManus was the guest of honor of the evening. He succeeds Ted Grant as an associate to Scout Executive McPeck. A goodly number of "dads" were also present and displayed a great interest in the work of the scouts. David Stryker was received as a new member of the troop. After a feast of wieners and buns taps was sounded and the troop dismissed.

The scoutmaster announced the following appointments:
Acting Senior Patrol Leader, John Derby.

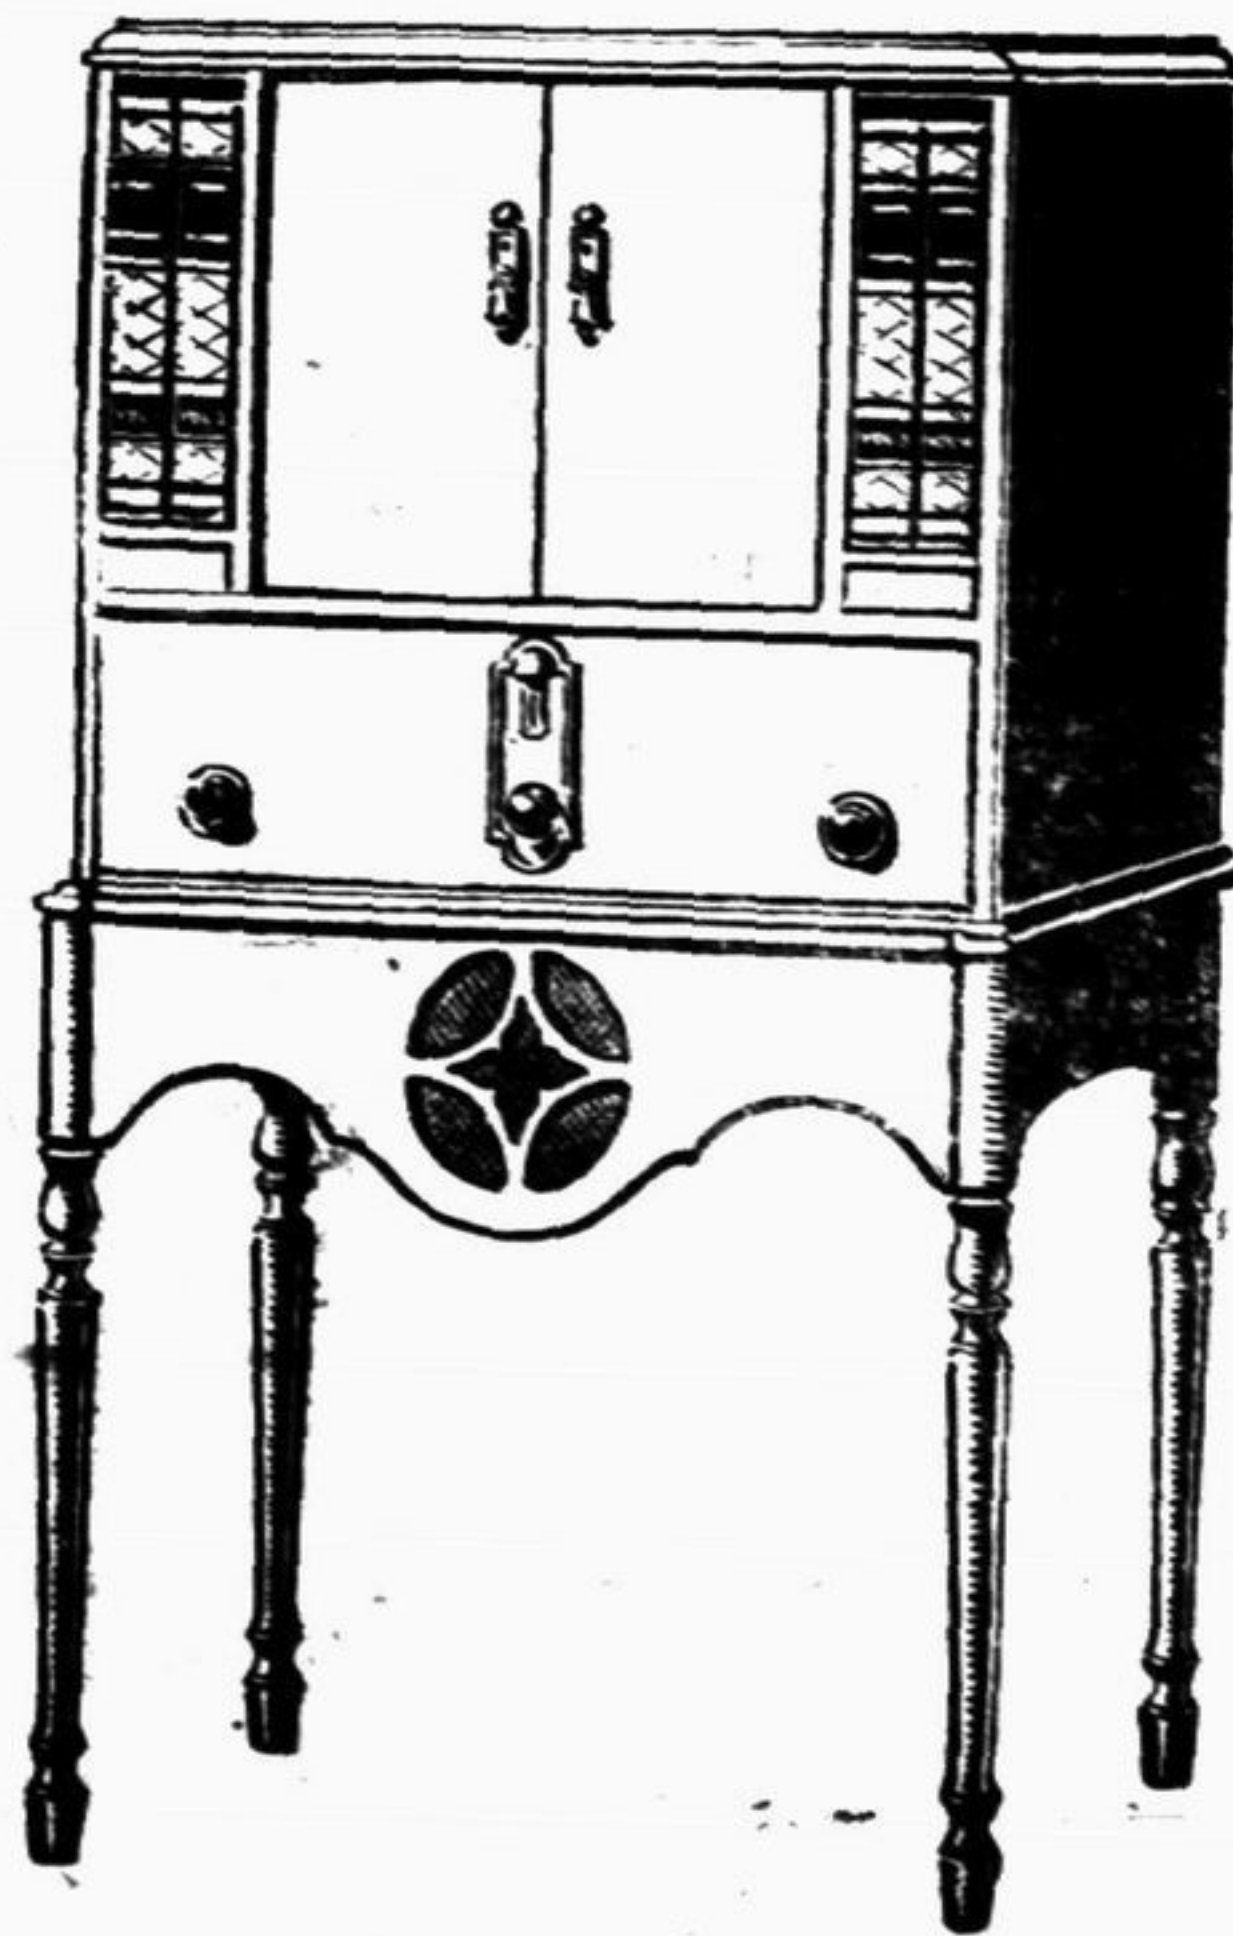

Troop Scribe, Kenneth Vetter.
Troop Bugler, Mark Andrews, Jr.
Troop Treasurer, James Getty.
Patrol Leaders: Stag Patrol, Edward Cazel; Pine Tree Patrol, Harold Huhn; Otter Patrol, Lewis Stryker; Moose Patrol, Milton Merner.
