

LARGE GROUP ATTENDS DEERFIELD P. T. A. MEET

Membership Drive Is Successful; Result of Attendance at Meeting

So important is the Deerfield Parent Teacher association in the life of the community that the monthly meets draw a larger percentage of the membership of the body, than any other organization in the village.

No gathering place in the school is now large enough to comfortably seat those who come. Many are compelled to sit two in a seat, others were in kindergarten chairs and many were compelled to stand in the corridor.

With the new auditorium nearing completion this condition, however, is now only temporary.

In her opening speech, Mrs. Julian Smith, the new president, welcomed the new teachers and parents.

The treasurer's report shows over \$100 in the treasury.

Ten dollars was voted to the Deerfield-Shields high school P.T.A. in order to try to get Dr. Meikeljohn to come to the latter association.

Quite a successful membership drive was launched under the direction of Mrs. Smith in which the pupils and teachers of each room took part and a prize, a beautiful picture donated by Mrs. W. W. Geary was offered to the room obtaining most number of memberships, according to percentage.

Following is the result:

Kindergarten—Miss Alice Lindberg, 26 pupils, 8 memberships, 31 per cent.

1A.—Miss Evelyn Schell, 21 pupils, 8 memberships, 38 per cent.

1B.—Mrs. Christy Knaak, 35 pupils, 14 memberships, 40 per cent.

2nd.—Miss Dorothy Lidgerwood, 39 pupils, 12 memberships, 33 1/2 per cent.

A.—Miss Pauline White, 23 pupils, 8 memberships, 34 per cent.

3B.—Miss Elizabeth Schilstra, 20 pupils, 12 memberships, 60 per cent.

4A & B.—Miss Jean Nygard, 40 pupils, 12 memberships, 30 per cent.

5A.—Miss Irene Eversen, 16 pupils, 8 memberships, 50 per cent.

5B.—Mrs. Mary Schaaach, 1 membership.

6th.—Miss Leona Evans, 32 pupils, 5 memberships, 15 per cent.

7th.—Miss Ethel Titus, 26 pupils, 16 memberships, 44 per cent.

8th.—Miss Beth Andrews, 40 pupils, 7 memberships, 1 7/8 per cent.

Miss Elizabeth Schilstra was awarded the prize.

Mrs. C. W. Boyle was appointed to secure subscriptions to the Child Welfare Magazine. A magazine, which should be in every home.

An invitation received from the Wilmet P.T.A. to attend their meeting, which was held Friday evening was extended by the secretary.

Provisions for the care of small children who accompany their parents will be made before the next meeting.

It was regretted that the printed programs did not arrive in time to be distributed, however, Mr. C. C. Bates, principal agreed to mail one to each parent.

The beautifully set tea table, with its precious service was such an inspiration that the association voted to again resume the serving of refreshments, which was voted down last year.

Tea will be served at most of the meetings in the future.

FORGET-ME-NOT DRIVE

NORTH SHORE LINE ADDS FAST TRAINS

Begins Two-Hour Service to Milwaukee Sept. 30; More Rapid Service

Inauguration of two-hour limited service between the Chicago Loop and downtown Milwaukee via the Skokie Valley Route, and the addition of four new trains to the regular Chicago-Milwaukee limited service, are features of the new operating schedule of the Chicago North Shore and Milwaukee Railroad (North Shore Line), which goes into effect with the ending of daylight saving time on Sunday, September 30.

This new high-speed passenger service between Chicago and Milwaukee is established by operating trains without stop between Kenosha, Wis., and Dempster street, Niles Center. Four limiteds will operate under this new non-stop schedule, making all regular stops in Chicago and also receiving passengers at Racine. Two of the new limiteds will make all regular stops en route, including Waukegan and North Chicago Junction.

Two of the crack North Shore Line limiteds will operate under the new non-stop schedule daily except Sunday. The Badger Limited, northbound, will leave Adams & Wabash station in the Chicago Loop at 7:15 a. m., Grand avenue at 7:20 a. m., Belmont avenue at 7:30, Wilson avenue at 7:35, Howard street at 7:42 and Dempster street at 7:49 a. m., arriving at Kenosha at 8:32 a. m., Racine at 8:44 and downtown Milwaukee terminal at 9:19 a. m. The Interstate limited, southbound from Milwaukee terminal at 7:15 a. m., will leave Racine at 7:49 and Kenosha at 8 a. m., arriving in the Chicago Loop at 9:15 a. m.

Two new limiteds, operating daily except Sunday, will leave downtown Milwaukee and the Chicago Loop at 7 a. m., stopping at Racine, Kenosha, Zion, Waukegan, North Chicago Junction and all Chicago stations. The Badger and Interstate limiteds, which will carry diners when operating on the new non-stop schedules on weekdays, will make all regular limited stops on Sundays without diners.

The two other non-stop limiteds will operate daily, leaving the Chicago Loop and downtown Milwaukee at 3:45 p. m., and carrying parlor-observation cars on each trip.

The boys are very indignant with the motorists who won't stop and save them the exhausting task of walking half a mile.

HOW MOTORISTS MAY AVOID GROWING OLD

Hints Which May Help Them to Shorten Their Mortal Span Given

The following hints are prescribed by the American Motorists' association for motorists who desire to keep from growing old:

Always drive fast out of alleys.

Always race with locomotives to crossings. Engineers like it; it breaks the monotony of their jobs.

Always pass the car ahead on curves or turns. Don't use your horn, it may unnerve the other fellow and cause him to turn out too far.

Demand half the road—the middle half. Insist on your rights.

Always speed; it shows people you are a man of pep even though an amateur driver.

Never stop, look or listen at a railroad crossing. It consumes time.

Always pass cars on hills. It shows you have more power and you can turn out if you meet a car at the top.

Never look around when you back up. There is never anything behind you.

Drive confidently, just as though there were not twenty-three million other cars in service.

The people who want absolute equality can always get it in the poorhouse.

One more thing this country needs, is more people raising beans and fewer people spilling them.
