PARENTS ATTEND FIRST MEETING FRIDAY EVE.

Wilmot P. T. A. Opens Season With Interesting Gathering; New Members Received

The Wilmot school P.T.A. held its regular monthly meeting at the school Friday evening, Sept. 21.

The meeting was opened with singing of Illinois. The attendance was good.

It was decided to accept the invitation to hold a joint meeting with Deerfield Grammar School P.T.A. in March.

Scales for the school and a membership drive were spoken of by the President, Mrs. E. J. Ginter, who also made a plea for a good piano for the school.

The playground, the kitchen and the library were presented as three special lines of work for this year.

The finance, school beautiful and library committees were to make plans and budgets for these three lines of work.

The Garden Show held in August, when five beautiful gardens of members in Bannockburn were displayed, was a success and \$45.00 were cleared for treasury. The secretary was instructed to send letters of appreciation to these members.

The library committee made a plea for good magazines for the school. Wild flowers are the scientific study this year and magazines helpful in this work will be appreciated. If all members will save newspapers, provisions may be made for sale of them; proceeds for P.T.A. work.

This matter will be discussed later. The fall conference of District 21, (local district) to be held in Evanston October 3, was announced.

The health program with the playlet, "Listening Chi," was presented by members, Mr. Frase, Mrs. Wilson and Mrs. Meyer. It was two housewives ordering food from Mr. Winkle's grocery and after "listening in" and "cross-line talking" they both ordered health food for their families.

It was further announced that in connection with health program, a dental surgeon from Waukegan is expected to speak on "care of the teeth" at the October meeting.

Eight new members were received. Mrs. Julian Smith and Mrs. W. Galloway of Deerfield Grammar school P.T.A. were visitors.

Invitation is extended to members of each P.T.A. to attend the other association's meetings. Watch local papers for all notices of meetings. The social hour followed with refreshments of delicious fruit punch and home made cake served by the social committee.

A German, crazed by the heat climbed a church spire at Leipsic and began to sing jazz. You have to be that way to sing it properly.
