N. S. THEATRE GUILD FIRST PLAY NOV. 7

AT H. P. WOMAN'S CLUB

"Capt. Bras-bound's Conversation by Geo. B. Shaw is Comedy to Be Offered; Committee Busy

"Captain Brassbound's Conversion," by George Bernard Shaw, is the first play to be presented this season by the North Shore Theatre Guild. It will be given on the evening of Nov. 7 at the Highland Park Woman's club auditorium. The play is a comedy in Shaw's best vein, and promises to be entirely delightful, as the cast is well chosen and the directing excellent.

This year all the plays to be offered by the theatre guild will be comedies, and a notably fine selection has been made in each instance. Another new feature will be that reserved seats will be available for each play given.

Local Committee

This week sees the beginning of great activity in the ranks of the North Shore Theatre Guild, activity centering around the local membership committees in their annual drive for subscribers. In line with its custom of the past, the guild is furthering its cause through the medium of a committee of ladies in each of the towns in which the guild operates. The committee in Highland Park headed by Mrs. David R. Thomas, and assisting her are Mrs. Henry B. Clark, co-chairman; Mrs. Otis Beardsley, Mrs. Edmund Brigham, Continued on page 10

HALT INSTALLATION OF UDELL FLAGSTAFF

Police Stop Work While Similar Pole Extends over Walk From the City Hall

High-salaried experts, four of them, at work on the installation of two flag-poles on the front of the new Udell building Tuesday afternoon, were stopped by the police, under orders from the office of Building Inspector S. D. Morris, on the ground that the placing of the poles was a violation of the building code, it was claimed.

Examination of the ordinance indicates no reference to flag poles, as far as can be ascertained, and yesterday afternoon the Udell Printing Co., owners of the building, received word that the workmen could go on with the work. It is believed that no further trouble will occur.

The amusing feature of the whole affair is that extending from the second story of the city hall is a two-inch iron flag-pole which has overhung the street for years, and as far as known the building inspector has not hauled the city fathers into court over that flag-pole.

The Udell Printing Co. protested strenuously over the action taken by the building inspector Tuesday, pointing out that the plans and specifications of the Udell building had been in the hands of the building inspector for six months and that these plans, etc., showed plainly that the poles were to be installed.

Mr. Udell says the building inspector remarked "I went to sleep on that." The action of the inspector has cost the Udell Company considerable money and its officials are of the opinion that the trouble would not have occurred had the plans been given proper attention by the inspector, instead of waiting until the building was erected.

An initial gift committee has been organized and is now soliciting the patrons of the Y.W.C.A.

Of Great Service

The Y.W.C.A. is proving of great service to women in this community and those that come to this city as strangers and visitors. The service is far-reaching. During the camping season at Fort Sheridan, the mothers, sisters and sweethearts of the boys that were there came to the Y.W. for rooms and a resting place. It is the only place obtainable at reasonable rates. Mothers and sisters of sick boys at the Great Lakes and Fort Sheridan hospitals have availed themselves of this safe resting place.

Rooms Popular

The rooms of the Highland Park Y.W.C.A. have become so popular and in such great demand that a room registry has been started and when the Y.W. cannot accommodate the applicants they are sent to a safe and desirable home.

Clubs are organized for grade and high school girls, twelve to eighteen years of age; for women and girls employed in business, industry and homes.

Mothers' Club

The largest and most enthusiastic club is the Mothers' club, an organization of 45 women, meeting once a month at the Y.W.

Of the activities, there are a score or more, parties, dancing, camping parties, classes in gymnastics and a new class this year, the "Charm School." All of these classes are still open for registration.

Charm School

The "Charm School" is conducted by Miss Mary Page, the well known dramatic teacher. Miss Page conducted classes in characters at the Highland Park Woman's club last year for the children of the members of the club. "The Charm School" is a good name for what has become a social necessity and a business asset. Every young woman should avail herself of this opportunity to gain suggestions and help that are needed each day in whatever occupation they may be interested.

Call the Y.W.C.A. for registration. Classes begin October 22.

Nearly eighty members of the Highland Park Chamber of Commerce attended the regular monthly dinner and business session of that organization, held Tuesday evening, the dinner being served at the Green Teapot. The meeting was an enthusiastic one, with several interesting entertainment features, good talks and routine business.

William Dooley, who recently returned from Europe where he and Mrs. Dooley spent several months, gave a very interesting talk relating numerous interesting and amusing experiences and outlining his views regarding conditions abroad much to the appreciation of his hearers.

COMMUNITY GARDEN CLASS OPEN MEETING

Mr. F. O. Moore of Oak Park to Be Speaker at Meeting Wednesday

The next meeting of the Community Garden class of the Highland Park Woman's club will be held at 10 o'clock on Wednesday, October 17, at the Highland Park Woman's club. This is an open meeting, to which members may bring guests without payment of the usual guest fee.

The program committee considers itself very fortunate to have secured, as speaker at this meeting, Mrs. F. J. Moore of Oak Park. Mrs. Moore's subject, "Bulbs and Fall Planting," is most appropriate at this time. Reports from other clubs are to the effect that this talk by Mrs. Moore has met with an enthusiastic reception, so the class feels assured of a very interesting and instructive meeting.

This is the last regular meeting of the class for this year, and it is hoped that all members will make a special effort to be present.

SOLICIT FUNDS FOR HOOVER CAMPAIGN

More Workers Needed to Help; Chairmen of Precincts Appointed

The women who promised to help the Hoover Campaign Fund by raising money in Highland Park have become organized this week, and have begun their house-to-house canvass. The precinct chairmen are as follows: Precinct No. 3, Mrs. Jay S. Glidden; No. 4, Mrs. George McGhie; No. 5, Mrs. B. L. Bird; Nos. 6, 7, 8, Mrs. D. M. Blasler. Precincts No. 1 and 2 are as yet without chairmen and any enthusiastic Hooverite who would like to undertake this work should communicate immediately with Mrs. Bird at Highland Park 1630. Helpers in the other precincts are also badly needed and anyone interested should call her precinct chairmen or Mrs. Bird.

Just because Highland Park has always been overwhelmingly Republican, we must not think that the same situation holds true everywhere, and that our financial help is not needed. The money raised here will be used for campaign expenses in the doubtful territories. These expenses are for the tons of literature that are being printed and mailed throughout the country, for the traveling expenses of speakers and for the many other items that are necessary to the carrying on of our present type of campaign. The aid of every loyal Hooverite in Highland Park is earnestly solicited, either by means of a contribution or work for the cause.
