BRIEF NEWS ITEMS FROM LAKE COUNTY

NEIGHBORHOOD JOTTINGS

Interesting Happenings About This Part of North Shore and Vicinity; County Seat Doings

Whitney Morford, a resident of North Chicago, for more than 22 years, died at his home at 1633 Victoria street in North Chicago last week at the age of 65 years.

Revival of the plans for annexation of territory lying west of Waukegan on the part of the city administration is expected this fall or winter. It is certain that the plan will be carried out before spring.

Mrs. Grace Geverts, a former resident of Waukegan, and the wife of Edward Geverts, a retired chief yeoman of the United States navy, now attached to the Great Lakes Naval Training station, died at the Sibley Memorial hospital, Washington, D. C., on September 26.

Disbursements for the maintenance of the Antioch volunteer fire department for the year will aggregate about \$1,200, according to the books of the secretary and treasurer that have just been turned over to the auditing committee.

Two state veterinarians have arrived from Springfield to assist Dr. T. P. Gallahue, Lake county veterinarian, in the testing of cattle for bovine tuberculosis. Three more aids are expected within a short time as 8,000 cattle will have to be tested this month.

Plans for the program which will mark the dedication of the new \$1,250,000 city waterworks at Waukegan are being drafted by Mayor L. J. Yager and Robert J. Pearsall, commissioner of public property. The event will be held either on Oct. 27 or Nov. 3, according to present plans.

Death claimed another of Lake County's older residents recently when Mrs. Mary Mitchell, 71 years old, wife of Frank Mitchell, died suddenly at her home in Mundelein. Death, which was practically instantaneous, was caused by a blood clot in the heart, according to the attending physician.

Mrs. Nancy Hastings, widow of the late A. J. Hastings and early resident of Lake county and one time owner of most of the land on Hastings lake in Lake Villa township, passed away at her home in Boulder, Colo., last week, according to word received by relatives in the city today. The deceased was 80 years old.

COMPLETE PLANS FOR HALLOWE'EN PARTY

Legion Auxiliary to Hold Affair
October 27 in Masonic
Temple

The Deerfield American Legion auxiliary held its regular meeting at the home of Mrs. Chas. Frey on Monday evening.

Plans for the Halloween costume party arranged by Mrs. Austin Plagge, was the topic under discussion during most of the evening and following is the list of committees in charge of the affair.

Tickets, Mrs. Bruce Blaine and Mrs. Alex Willman; Cards and bunco, Mrs. Ed. Jacobson, Mrs. George Jacobs, Mrs. Earl Frost and Mrs. Virginia Hicks; Prizes, Mrs. Carl Anderson and Mrs. Alex Willman; Refreshments, Mrs. T. Taylor, Mrs. Whitcomb, Mrs. Frank Jacobs, Sr., Mrs. Julia Peterson, Mrs. Leslie Behrens, Mrs. Harry Mau and Mrs. Hicks; Candy and novelties, Mrs. Ralph Peterson, Mrs. Harry Olenford and Mrs. Raymond Clavey.

The party is to be held Saturday evening, Oct. 27 in the Masonic temple and the public is invited to attend. There will be entertaining features including dancing, cards and bunco, and refreshments will be served throughout the evening.

SPONSOR DINNER AT ST. PAUL'S CHURCH

Friday, Oct. 19, at the Masonic temple the Young People of St. Paul's Evangelical church will sponsor a chicken dinner which will be served from 5:30 to 7:30 p. m. and following is the menu.

Creamed chicken, mashed potatoes, buttered peas and carrots, slaw, pickled beets, rolls, coffee and homemade pie.

Reservations may be made through Young People's societies of the church. Remember the date—Friday, Oct. 19, and plan to attend.

DISCUSSES DEERFIELD ZONING CHANGE PLAN

Advisability of Granting Petition Questioned by Robt. D. Johnson

All Deerfield property owners and residents should be interested to know that a petition has been filed with the Deerfield Board of Appeals asking that Board to change the lot area restriction from 10,500 square feet per lot to 8,100 square feet.

When the zoning ordinance was first passed, the restriction read six single family residences to the acre. About a year ago at the request of a large number of resident owners this restriction was increased to four families to the acre or an area of about 10,800 square feet.

Now the petition filed by the purported new owner of the subdivision called the H. O. Stone Subdivision asks that their restriction be changed back to 8,100 square feet over a large part of that particular subdivision. If there is any change, the change should be uniform throughout the town. Why change a particular area at the request of one owner? If the requirements are a hardship on this one owner, the requirements must be a hardship on us all. Yet most of us, if not all, were in favor of the four family to the acre restriction a year ago.

A Village or City with a zoning law should be a better place to live in. Yet if that zoning law is changed every year at the whim of one or two property owners, the value of the zoning is lost.

The Board of Appeals is created by the zoning ordinance to make the law more or less elastic so that it effects no hardship by its regulations, but to change the area requirements up and down, down and up every year or two is not relief from hardship for any one—it only wrecks the good created by the ordinance.

This particular petitioner claims fifty and sixty foot lots can be sold so much more readily than seventy-five foot lots. But look across the street to the south—there is a subdivision with lots platted one hundred foot frontages. In some instances these lots have been divided into two lots each with fifty foot frontages. In fact, if you will look at one of the plats given out by this subdivider you will see that practically all of the lots are cut into fifty foot frontages. Apparently even a lot as small as fifty feet does not sell any easier than a seventy-five foot lot. General market conditions and price usually determine the sale of a subdivision—not necessarily the size of the frontage.

Why cut up our village into small lots to the detriment of our future development?

In this paper last week there appeared a notice by the Appeal Board which called a meeting Monday, October 22, at 8:00 p. m., to hear the petitioner and other interested property holders.

Every owner and resident of Deerfield should be there to protect his interests.

Robert L. Johnson

DEERFIELD DEFEATS UNIQUE ALL-STARS

The Deerfield Athletic football team emerged victorious over the Unique All-stars on Chicago Sunday afternoon on the Jewett field. The game was hotly fought for by both sides, but class will tell as it always does. The winning touchdown was scored by Arthur Kress after receiving a well aimed pass from Willie Lutz. Kress made a wonderful run, flanked by splendid interference. Deerfield's line held very good considering their lack of practice. The team through Manager Gordon Kress wishes to express their appreciation to those who turned out for the game and it is hoped they will again support the team next Sunday afternoon.

PRAIRIE CLUB HIKES FROM EVERETT OCT. 6

The Prairie Club, of Chicago, hiked from Everett to Lake Forest Saturday, a distance of about six miles. They came out on the C. M. and St. P. railroad to Everett and returned to the city from Lake Forest on the North Shore Electric. Several years ago this organization of nature lovers walked from Deerfield to Highland Park on one of their Saturday trips.

Mrs. J. D. Carter and Mrs. H. W. Savage attended the Lake County W.C.T.U. convention at Lake Forest Tuesday. The attendance was large. The speakers gave worth-while messages, and reports showed good work done throughout the county. More complete reports next week. Remember the State convention to be held in Evanston, Oct. 23-26. It is a great opportunity so near to us that no one should miss it. Plan to go and enjoy it.

It is said that the New York police located a celebrated society crook the other night by finding his finger prints on the enameled back of his dancing partner.

BUILDING AND LOAN ELECT NEW OFFICERS

The stockholders of the Deerfield Building and Loan Association held their annual meeting Monday evening, at which time Messrs. C. C. Kapschull, Lincoln Pettis, H. E. Wing and J. R. Notz were elected directors to fill the four expiring directorships.

The new board of directors organized and elected C. C. Kapschull as president; F. J. Labahn as vice president, E. H. Selig as treasurer, and C. W. Getty as secretary, for the ensuing year.

The activities of the past year were reviewed and considerable optimism was voiced as to the future prospects of the association and the constructive factor which it is bound to be in the development of the community from both a home financing and an investment viewpoint.

President Kapschull called a special meeting of the board and interested stockholders to be held at the association office on Thursday evening of this week, October 11, to formulate plans for bringing the advantage of membership in the association to the attention of those not now familiar therewith and of affording a larger number of Deerfield and Highland Park people an opportunity to obtain shares in the association, for which a new series of stock was opened for immediate subscription.

LUCY FITCH PERKINS TO GIVE PROGRAM

The Deerfield-Parent Teacher association is offering an unusual program Friday afternoon, Oct. 12 at the Evangelical Bungalow church. At that time they will present the authoress Lucy Fitch Perkins.

Mrs. Perkins has combined facts in story form for children. She has visited the countries and writes from personal knowledge.

The Twin series of twelve nations written in language suitable for children from the second to eighth grade are her most famous writings.

It has been said of Mrs. Perkins that she is constructing the largest fleet of ships in the world-friendship between the children of nations.

Following is a list of her books: American Twins of 1812, American Twins of the Revolution, Belgium Twins, Cave Twins, Colonial Twins of Virginia, Dutch Twins, Dutch Twins Primer, Eskimo Twins, Philippine Twins, French Twins, Italian Twins, Irish Twins, Japanese Twins, Mexican Twins, Puritan Twins, Scotch Twins, Spartan Twins and Swiss Twins.

Tea will be served following Mrs. Perkins talk and the hostess include, Mmes. Charles Kapschull, Arno Frantz, Arthur Merner, William Kent, Emil Giss and Ross Sherman.

An invitation to this meeting is extended to all women of Deerfield whether or not they are members of the association or have children in school.

FIND MAN UNCONSCIOUS LYING IN BLOOD POOL

Roy Burns, 44 years old, 120 Washington street, Waukegan was found lying unconscious in a pool of blood last week on Sheridan road and Water streets. He was found by Leo Harrington, 714 Center street and Lou Schlosser of Wadsworth. They put the man in a taxicab and took him to the county hospital.

Five tendons and an artery on the man's left wrist had been slashed with a razor or some other sharp instrument. When the man became conscious, however, he was either unable or unwilling to give the police any account of how the accident or attack occurred.

PLANS UNDER WAY FOR CHRISTMAS SEAL SALE

Plans for the annual sale of Christmas seals, which will be started in Waukegan and Lake county on November 29, are already being laid in Lake county, it was announced this week. The sale of the seals which will be carried out as usual under the visiting nurse and Lake county Anti-Tuberculosis society, will be a part of the distribution of forty million seals in the state of Illinois.

The work of organization has begun with the mailing of the 1928 seal sale contract to all local affiliated organizations. Some counties have been so interested, the contracts have been returned in the next mail and the seal material shipped at once.

The proceeds of the Christmas Seal sale are used by local organizations in various forms of child health work, nursing service, fresh air camps, clinics, corrections of defects, modern health crusade supplies, and health aids for schools, such as first aid kits, thermometers, health posters, etc.
