

NEW BUILDING FOR DIST. 107 IS BEGUN

Continued from page 1

additional story at the central front to provide for a teachers' club room. Half timber construction will appear on exposed walls. There will be a gable roof over the central front and similar but lower roofs over the two flanking rooms. The rooms carried back from the front have flat roofs and are top-lighted.

Class Rooms

The kindergarten room is on the southeast and has a fireplace and a built-in-floor aquarium. Opening of this room is an activity room of the same size for the special use of the kindergarten children. For the use of the children in the six class rooms set apart for the first three grades two activity rooms in the interior of the building have been provided. These are top-lighted and equipped with benches and tools and miscellaneous apparatus. Two east-west corridors extend the length of the building and a broad connecting corridor partially enclosed and provided with an adequate stage will serve as a combination assembly room and play room. It will seat one hundred fifty or more people. It is planned to be ultimately a proportion of a roomy auditorium when the growth of population makes necessary the construction of the entire plant.

Local Contractors

It is gratifying to be able to report that conditions made it possible to award the greater part of the work of local contractors and as a result the actual work of construction will largely be carried on by local workmen. The general contract was awarded by the board of education last Thursday evening to Wm. J. Brown of 709 Ridgewood drive. This contract carries with it the work of Peter Grimson, plastering contractor, of the Oak Terrace Sash & Door company for mill work, and of a local dealer in hardware, John Gourley & Son for lumber. Neils Steenhill, a Chicago contractor who is extensively employed in Highland Park, will have the masonry contract. The plumbing contract was awarded to Moran Brothers of 360 Central avenue. The heating contract went to Herlihy Brothers of Chicago. The Hub Electric company, also of Chicago, has the contract for wiring.

Bids are Close

The board of education was very much pleased with the quality of the bids for the various contracts. Three firms, bidding on the general contract, the Schmidt Construction company of Chicago, Charles E. Anderson company also of Chicago, and Wm. J. Brown were the lowest bidders with their final figures very close. Charles E. Anderson & company built the Elm Place Intermediate school six years ago, the Deerfield-Shedd auditorium, the addition to the Ravinia school a few years ago, and are now building the Kenilworth school. Before the final analysis of the bids was made Anderson & company's bid differed from Wm. J. Brown's bid by only \$4.00 on items exceeding \$88,000 in value. It is the feeling of those who have studied these figures that Highland Park is fortunate in being able to enlist its own citizens in the execution of a public contract of this importance.

Y. W. C. A.

The Charm school opened Monday evening with an enrollment of 31 members. The school will meet each Monday evening for five weeks. Miss Mary Page is the director of the classes and conducts the work in a most interesting way. New members may enter the class Monday evening. The school opens promptly at 7:30 and closes at 8:30.

A class in Beginners French will meet for the first time Thursday, November 1 from 12 to 1 o'clock, noon. The class is to be instructed by Melle Helene Kegreisz who is a native French teacher and a college graduate with teaching experience. Melle Kegreisz is a member of the faculty of the De Forest school and the Y.W.C.A. is very fortunate to be able to secure her services.

The children's gym class which has been meeting Saturday morning from 9 to 10 o'clock will meet hereafter from 1 until 2 o'clock on Saturday afternoons.

The Friendship club will hold their Annual Halloween party this evening at 9 o'clock. It will be a costume party and the judges to decide the best costumes are to be Miss Gladys Greenlaw, Miss Cora Hendee and Mrs. Bruce Chandler.

The Girl Reserve Cubs will not meet for their regular meeting Monday afternoon, but will hold a Halloween party Saturday afternoon at 3:30 at the Y.W.C.A.

The Look-Out Reserves will have a Halloween party Wednesday evening, Oct. 31 from 7:30 to 9:30.

The second Annual Nation-wide banquet of the Business Girls of the Y.W.C.A. was celebrated by the Business Girls clubs of Lake Forest and Highland Park at the Highland Park Y.W.C.A. Tuesday evening. Miss Martha Jargar of the Metropolitan Staff of the Chicago Y.W.C.A., gave the address of the evening. A message from Miss Elsie West, President of the National Business and Professional assembly was read by Miss Ivy Levett of Lake Forest. Mrs. Vera Whitcomb president of the BY's club of Highland Park presided at the dinner. Club and Y.W.C.A. songs were sung under the leadership of Miss Creamer of Lake Forest and Miss Alvena Schneider of Highland Park.

ENROLLMENT IN NIGHT SCHOOL CLASSES LARGE

Enrollment in the night school classes at the high school has in most cases reached capacity. Two new subjects have been recently introduced, but the others are in full swing.

About two hundred and seventy-five are attending the night school classes. There are about ten from outside of the school district. Two new classes have been added, one in French, and the other in stenography. Mr. Davitt has taken over Mr. Meyers' mathematics class.

The class of women's gym has an attendance of about one hundred. If more enter, it will be possible to have two classes a week. At present they meet only on Mondays. No gym class for men has as yet been organized.

All students attending must pay a registration fee which will be refunded if they attend eighty per cent of the class sessions.

LET CONTRACT FOR BRIDGE REPAIRING

Continued from page 1

the good faith of the city and guarantee that all work shall be performed in accordance with the conditions of the permit to be granted by the Department of Public Works and Buildings of the State of Illinois and to hold the State of Illinois, Department of Public Works and Buildings, harmless on account of any damages that may occur to persons or property during the prosecution of such work, and assume all liability for damages to persons or property due to accidents or otherwise by reason of the work which is to be performed under the provisions of said permit.

Third: That we hereby state that the proposed work is to be performed by the employees of the city.

Fourth: That the proper officers of the City are hereby instructed and authorized to sign said permit in behalf of the City. The motion prevailed.

The communication from the Board of Health with reference to the purchase of an automobile for the Visiting Nurse was ordered placed on file.

Bills Approved

Commissioner Reay presented bills and moved that the same be approved and vouchers for payment be issued for the several amounts. The motion prevailed. The bills aggregated as follows:

Department of Public Affairs	\$ 103.79
Department of Account and Finance	93.59
Department of Public Health and Safety	1,716.05
Department of Streets and Public Improvements	1,193.55
Department of Public Property	8.13
Local Improvement Advances and Expenses	11,540.25
Acquisition of Permanent Property	439.49
Job Orders	3,636.41
Unappropriated Expense	271.24
Total	\$19,693.79

Commissioner Gourley moved the passage of an ordinance authorizing the Mayor and City Clerk to execute a deed to a couple of triangular tracts in the southeast part of the City of Highland Park, to the Highland Park East Park District. The motion prevailed.

The friends of the successful candidates need not expect that they are all going to be invited down to Washington to spend Sunday in the White house.

Also quite a number of the people who have done political work this fall, will have to worry along for years more without getting appointed to any government office.

To Avoid Defeat
Never go into a business deal until you are sure that your happiness, even for the day, does not depend upon the outcome.—The American

People who have desire to get rid of their money neatly and expeditiously, can always do so by betting on elections.

At the Summer Hotel
One of the reasons why many vacations are a failure is that one talks for hours on petty topics, arguing matters of fact that could be settled in a minute by turning to a reference book.—Woman's Home Companion.

With attention focussed on the candidates, it looks as if President Coolidge would only have to have his photograph taken about 50 times a day now.

Late October Suggests—

the end of the harvest . . . brown, drifting leaves . . . crisp autumn nights. A time for important and varied activities: when every Modern Miss seeks to keep pace with the new season—and hastens to select her Modern Miss Shoes for fall.

**And Again,
for the Third Year—**

impelled by the many inquiries of interested patrons,
we announce that

**Charge Customers May Buy
in November**
and
Pay in January

It is our practical way of suggesting early Christmas shopping—to extend the Christmas season over twice its usual period! It means delightful, leisurely shopping—with the immense secret satisfaction that comes from having something accomplished satisfactorily and in good season! It leaves you those enchanted last weeks before Christmas to observe and enjoy—instead of having to rush about frantically for your gifts. And, needless to say, those who shop in November, shop from complete, fresh Christmas Stocks.

The Privilege Granted Above Represents Only One of the Advantages of Having a Charge Account at Lord's.

The usual bill will be rendered on December 1st, so you may review your November purchases. You may then pay it wholly or in part, or defer payment entirely until January 1.

CHARGE IT!
We welcome as charge customers persons who are financially responsible. Our Credit Department will receive your application, and accord you every courtesy in considering it.
