Church Announcements

Christian Science
First Church of Christ, Scientist, Highland Park, Ill., 381 Hazel Avenue, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds services every Sunday morning at 10:45 and on Wednesday evening at 8 o'clock, when testimonies of Christian Science healing are given. Sunday School meets at 9:30 a.m., and is open to pupils under the age of twenty.

Subject for next Sunday's lesson sermon, "Everlasting Punishment."

You are cordially invited to make use of the reading room, 361 Central Avenue, which is open every week day from nine in the morning until six in the evening and on Wednesdays until 7:30. The reading room is also open on Sunday afternoon from 2:30 to 5:30.

United Evangelical
Rev. C. G. Unangst, pastor
The pastor has announced special subjects for the Sunday services during the month of November. The aim is to make the month one of intense religious interests through the medium of the regular services.

The sermon subjects for Sunday are as follows: 10:45 a. m. "Can God Depend on You?" 7:45 p. m. "A Young Man's Questions." The evening service will be of special interest to young men, as the subject indicates.

The cordial fellowship, the Bible lessons and the music are all helping to make the sessions of the Sunday school interesting and profitable. The school opens promptly at 9:30 a. m. The lesson deals with the Christian's duty to the powers that be, to his neighbor and to Christ. Rom. 13:1-4. Come and help to make the attendance even larger than it was on last Sunday. The officers and teachers meet for prayer at 9:00 a. m.

"In What Ways Do We Waste Our Time?" is the topic for the Christian Endeavor meeting at 7:00 p. m. Walter Tillman will lead the meeting. The meeting on last Sunday evening was very good. This is a fine service for young people.

Prayer meetings on Wednesday evening.

A prayer service is also held at the parsonage every Saturday evening at eight o'clock.

The sermon subjects for Sunday, Nov. 11, are, "The Christian's Enemies," and "Girls' Problems of Today."

It is our aim to so nurture the religious life that people will be able to perform their life work gladly, efficiently and righteously.

The renovating of the parsonage has been somewhat delayed but is now going forward and the pastor hopes to soon be installed there. Meantime he can be reached through phone H. P. 1499 or by calling at 443 Oakwood Avenue.

Next Sunday morning the pastor will speak on the theme, "The Slow and Swift God," seeking an answer to the query, "Why does God move so slowly in causing right to prevail in the world?" Methodists and all others having no church home, will be cordially welcomed.

The Sunday school, under the direction of its superintendent, Mr. Wm. Blech, increases in numbers each Sunday. A feature of this school is two interesting classes for adults; many churches have but one and some none. These meet at 9:30 each Sunday morning and visitors are very welcome.
