**Oil Heat
to Keep Your
Garage Warm**

The man who takes chances with his car in an unheated garage is foolishly gambling with high repair bills.

For there has been developed a simple, inexpensive heater that you may put in the garage—light it—and forget it.

QUAKER

**Oil Burning
Garage Heater**

Saves its cost many times over. Simply fill the oil tank every day or so and let it alone. There is no noise—no odor—no care—no worry—no coal—no dirt. May be operated from a city gas line.

You will be surprised at the low cost of this important device. Stop in today and let us show it to you.
