Two brothers John Willman of Deerfield and Albert Willman of Hawkeye and one sister Mrs. Jacob Sellig survive him.

### STUDY CLASS FOR PARENTS IN CHICAGO

Held First Thursday of Month in Chicago; Register Now

Do you believe that mothers are interested in finding out how to give their children the very best of which they are capable? If you had attended the first meeting of the Leadership Institute you would give an emphatic "yes" to many different communities, all eager to learn how they could fit themselves to be leaders of child study groups. These groups will be made up of mothers who are anxious to give their children the very best of which they are capable. This does not mean the things that money can buy but the every day care and training that will fit their children to come out victorious in the struggle with life.

Enrollment blanks were filled out by women from Aurora, Berwyn, Chicago, Evanston, Harvey, Hinsdale, Moline, Western Springs, and Wilmette. These blanks caused a great deal of discussion but one of the important things they accomplished was to make the women consider their own qualifications for leadership as well as well as their responsibility to the study groups.

Mrs. Herbert W. Whitten, president of the Ill. Congress of Parents and Teachers, gave an interesting talk in which she told how important the Board of Directors feel this work of study circles is and how beneficial this Leadership Institute will be to them. She also told how from the work of this institute it is hoped to evolve material that will benefit the entire state.

Mrs. Walter H. Buhlig, state chairman of publicity, told about the interest manifested in this institute by people all over the United States. It is something unique in work along this line. Mrs. Buhlig also told about Dr. Jessie A. Charters, who is in charge of this institute and who is head of the Adult Education department of the Ohio State university.

Mrs. Victor Munneke, state chairman of child study circles, told of the plans for the institute. Dr. Charters is to give a lecture followed by round table discussion, at each meeting of the institute. The subjects discussed will be: problems of organization and leadership, programs and material, publicity and community interest, keeping up the group or problems of attendance and interest, is the work getting results? Planning new programs, how to make progress, reports, and discussions.

This course is offered for leaders, prospective leaders, and others interested in parents' study groups. The meetings are held the first Thursday of each month from October 4, 1928 to May 2, 1929 at the headquarters of the Ill. Congress of Parents and Teachers, 360 N. Michigan avenue, Chicago, Ill.

### DEERFIELDS HIGH TO PLAY EVANSTON HERE

Deerfield-Shields high school football team will meet the Evanston Gridders on the Deerfield high athletic field next Saturday, Nov. 3, in what is expected to be one of the hardest games of the season so far. The local team, despite defeat by Thornton last week, is putting in some good practice this week under Coach Peel, and prospects are that they will be able to meet Evanston with strong probability of winning. Fans are urged to turn out and give the team support.

Bad breaks were chiefly instrumental in causing Deerfield's fourth successive defeat. Thornton was the team that took the long end of the score, this time 12-0. The game was played on Thornton's field which was in very poor condition due to the fact that there was hardly any grass upon the surface, and that it had rained and made the field a mass of sticky, slippery mud.

Soon after the opening of the first quarter, the players were covered with mud, and because of this the team on the defensive had a hard job trying to make any tackles. A player could be tackled and slip right out of his adversary's grasp. The men who carried the ball had to be knocked down, rather than tackled.

### HIGH SCHOOL GIRLS IN HOCKEY CONTESTS

At the high school hockey game which was held October 20 at the New Trier field, 11 girls represented Deerfield. Five girls out of the 11 were picked to play on the team for the game of November 7.

Fifteen girls were picked for the North Shore teams who are to play the teams from the north. A Deerfield girl will play backfield on the team.

The girls who went were: Mildred Timmer, Alberta Franklin, Ethel Skidmore, Ruth Johnston, Eleanor Keller, Marion Larson, Ruth Sloan, Jane Wenban, Virginia Jerome, Marjorie Kendall, and Bernice Young. Five of these girls were chosen to play and they made a good showing for Deerfield.

### CHOOSE LEADERS OF H. S. FALL PLAY CAST

Principals Who Will Take Part in Deerfield-Shields Performance

Selecting from out of a hundred students who tried out last week for the fall play which takes place Friday, November 23, Miss Comer, Miss Burwash, Miss Connelly, and Mr. Davidson chose about 15 students who appeared for a second tryout Saturday morning, and from those the majority of the cast has been chosen. Although some of the minor roles are still a bit doubtful, the big parts have been decided and rehearsals have already begun.

Gertrude Williams is the leading lady, playing the part of Julie, and while she has only appeared in a one-act play at Deerfield-Shields, she was assistant-director of last year's fall play, "The Kingdom of Rogues." At present, Gertrude is social chairman of the senior class, humor editor for the annual, and make-up chairman on Garrick executive board.

Walter Watson who plays the leading masculine role, that of Jim West, is a councilor, a member of Garrick, and subscription manager for the Annual. Walter had quite a wide scope of experience in acting during his last years at grammar school.

Jane Hart (grandma) has just appeared in the part of a middle-aged woman in Wurzel-Flummery. Jane Wood plays Lily, the grand-daughter. Jane is a member of Garrick and is Chief Councilor.

Donald Vaughn plays Charles, a college boy, while Frank, the other college boy has not been chosen. Donald is the property chairman on Garrick Executive board.

The role of Mrs. Welch is carried by Dorothy Scharle who is circulation manager of the Shoreline and a former member of Garrick. The parts of Kitty and Ethel are taken by Mary Louise McClernan and Elizabeth Flinn, respectively, both girls being Garrick members and having appeared in one-act.

### "LONELY ONE" HELD TO THE GRAND JURY

#### Waukegan's Burglar Placed Under Heavy Bonds for Trial in Court

Orvel Weyant, 19, 627 North Butrick street, Waukegan. "The Lonely One," who has confessed 35 burglaries, was held to the December grand jury on seven charges of burglary at a joint hearing before Police Magistrate Walter Taylor and Justice Hervey C. Coulson in the latter's courtroom in Waukegan. Attorney William A. Deane, counsel for the defendant, waived examination on all the burglary warrants presented and entered a plea of not guilty in each case. Sidney H. Block, assistant state's attorney, handled the prosecution.

Bond is \$36,000. The aggregate of bonds against the defendant was reduced from \$65,000 to \$36,000 upon the plea of Attorney Deane who declared the bond previously set in each case was excessive. Assistant State's Attorney Block announced more complaints charging burglary will be taken out in the near future against Weyant. He said, however, that no effort will be made by the state to raise the bond to a higher figure as he does not think it necessary.

### COSTUME PARTY IS SUCCESSFUL AFFAIR

Many Attend Festivities Given by Legion Auxiliary, Saturday

Amidst corn stalks, pumpkins and other symbols of the Halloween season, the American Legion Auxiliary entertained at a costume party at the Masonic temple, Saturday evening.

### RUMMAGE SALE AT H. P. WOMAN'S CLUB

Will Be Held Nov. 7, 8, 9, 10; Have You Articles to Contribute?

Now is the time for all good club women to come to the aid of the rummage sale!

Why fill the attic with discarded garments that will be of service to some one in need, which you may never wear again, and will be an extra burden for which to care. It costs so much to have old furniture recovered, if you are unable to do the work yourself, that you may as well buy new and give the old to the rummage sale.

The sale will be held in the basement of the club house on North Sheridan road on November 7, 8, 9 and 10. Articles for sale will be marked by the rummage sale committee, of which Mrs. Thomas Marks is chairman, on Monday and Tuesday the fifth and sixth, but articles are acceptable all during the week, however the work of the committee is facilitated by early delivery when customers are not in attendance.

If possible to deliver your own rummage you may do so any day this week or next, for the club will be opened at the request of Mr. Jenkins, the custodian who lives next door.

If you wish to have some one call for your goods you may procure automobile service, or if necessary truck service, by telephoning on Tuesday, Mrs. Frank D. Austin, Highland 1859; Mrs. B. F. Rieke, Highland Park 1572; Mrs. W. A. Alexander Highland Park 248, or Mrs. Alex Willman, Deerfield 153.

Claimed the modern world is hungry for the truth, but you would never know it by the avidity with which the people swallow campaign lies.

### ASK CITIZENS TO SUPPORT SCOUTING

Deerfield's Budget is \$500; Nov. 8-18 Set Aside for Campaign

November 8 to 18 is the date set by the Deerfield scout committee for the underwriting of the scout budget for the year 1928-29. This budget which is \$500 is the share which Deerfield is to provide for the maintenance of the North Shore Area council whose annual budget amounts to \$15,000. An organization has recently been effected of which Mr. Chas. Kapschull is chairman with the purpose of gathering this budget during the time stated.

Interest in scouting in the Deerfield community is not as intense as it should be because our community as a whole does not appreciate the fact that scouting is recognized as one of the foremost agencies in developing character and worthwhile citizenship. Every father and mother, every adult in our community should be willing to give of time, of interest and of means to the furthering of this organization whose only objective is the development of boy life.

Since the organization of the North Shore Area council, of which Deerfield is a part, which organization was effected two years ago, great progress has been made in scouting in this area. At that time 21 troops were in operation with a membership of 424 scouts; today 37 troops are in operation with 927 scouts. Before that time no opportunity was provided for attendance at summer scout camps. Last year 84 scouts attended such scout camps and during the past summer the total of 160. For next summer at the new area camp in northern Wisconsin it is estimated that at least 300 scouts will attend one or more periods of two weeks each.

Let it be understood that scouting is not an enterprise to entertain and amuse, but an intensive effort to develop resourcefulness and leadership. It has tremendous opportunities and only waits for communities like our own to see the large opportunities and respond with a support and an interest commensurate with the vastness of the opportunity.

### DR. FRITSCH GOES TO FLORIDA CHURCH

Pastor of Cleveland Church Resigns; Was Former Deerfield Resident

The following article appeared in the Oct. 26 issue of the "Cleveland Plain Dealer" Cleveland, Ohio, and refers to a former Deerfield resident. Dr. Fritsch spent a few weeks this summer with his mother, Mrs. Mary Fritsch in Deerfield.

Dr. H. Samuel Fritsch, pastor of Hough Avenue Congregational church, has resigned to accept the pastorate of Union Congregational church at Jacksonville, Fla. Dr. Fritsch will assume his new charge Dec. 1.

A meeting of the congregation has been called for Wednesday evening to formally act upon the resignation and to make plans for obtaining a new pastor.

Dr. Fritsch came to Hough Avenue church from Chicago and on Nov. 1 will have completed ten years here. Prior to his Chicago pastorate he preached in Medina, Ohio. During his pastorate the congregation of Hough Avenue church has been increased from 600 to 1,000.

In his letter of resignation Dr. Fritsch says: "In many ways it would be easier to remain here indefinitely. But the weight of the work has begun to wear on my body and on my mind. In justice to myself I feel that I must avail myself of the less complex responsibilities and the more mild climatic conditions offered by the pastorate in Florida."

Sunday evening "popular services," in which Dr. Fritsch has discussed a variety of subjects in their relation to religion, have attracted large congregations. Dr. Fritsch has given much study to psychology and has delivered many lectures on psychological subjects. He has written a large number of poems.

The old timers claim we should go number of people will sit up after to bed at nine o'clock, but quite a that hour November 6 to hear the returns.

The United States will not get into another war until there is a new generation that never had to salute a second lieutenant. — St. Augustine record.
