URGES INTEREST IN STREET LIGHT PLAN-

(Continued from page 1)

city council stands ready to do whatever the people desire in the way of a street lighting system but owing to the expense that will be necessary they do not feel justified in spending money for preliminary work unless there is enough interest taken by the citizens. We would therefore suggest that any one who is interested in a better lighting system for our city to get in touch with the city clerk or members of the council and voice their opinion in the matter-Contributed.
