BOLGER MAY SEEK RECOUNT OF VOTES

IS EXAMINING RECORDS

Defeated Democratic Candidate for Legislature Is Finding Discrepancies, He Reports

Thomas Bolger of McHenry, democratic nominee for the state legislature, who was defeated by Richard Lyons, Lee McDonough and N. L. Jackson, last week completed his investigation of the Lake county poll books and went to inspect the books rubbing the flour in the butter first. in Boone county.

In McHenry, he said, he found 150 the jelly and serve. more votes for himself. Here in Lake county, according to disclosures made by him, a number of discrepancies were found.

In Benton 4 (Zion) the poll books showed 40 more ballots cast for representative than there were voters listed. In Libertyville 3 (Mundelein) he found 292 excess votes.

results in the books the judges and clerks in a number of precincts left records that could be interpreted several ways, it was pointed out.

"It would be the ballot itself rather than the poll book that would tell the true story," he said.

He questions the reports from Waukegan 2, 4, 5, 11, 13 and 14 (all in Waukegan); Shields 4 (Lake Forest) Libertyville 1 and 2 (Libertyville) and Libertyville 3 (Mundelein); Antioch 1 and 2 (Antioch); West Deerfield 2 (Deerfield); and Cuba (Barrington).

Recount Cost Large

He understands that the petitioner for a recount, which would be conducted by the state legislature in this case, would have to bear the burden of the expense. He has no idea what the cost would be.

The largest error, as far as poll book interpretations disclose, is to be found in Cuba where 310 votes were credited to Lyons to give him a total

and McHenry 29. McHenry picked of milk, next the melted chocolate; up 150 more votes for Bolger and then one and three-fourths cups of should Boone add to him on the same flour, in which you have sifted two basis it would increase his count but level teaspoons of baking powder little, it can be seen.

It is impossible to tabulate, without considerable time and difficulty, the alleged discrepancies he has found . in the Lake county vote.

In any case he would have to pick up 2,208 votes to pass Lyons, who was third man on the republican ticket.

Charles Hayes, four years ago, picked up 1,500 votes on a recount. Bolger is not the least decided whether he will stand for a recount or not.

NORTHWESTERN PLAYS DARTMOUTH SATURDAY

Big Game at Dyche Stadium on November 24; To Be Feature of Season

When Dartmouth and Northwestern clash at Dyche stadium Nov. 24, the middle west will get a glimpse of a team which represents one of the oldest institutions of learning in

Dartmouth was founded by the Rev. Eleazar Wheelock in 1769 under the terms of a royal charter granted by King George, the third, of England, and was named for the Earl of Dartmouth. The college was the outgrowth of a charity school conducted by Rev. Wheelock in Lebanon, Conn.

The enrollment of Dartmouth is made up of 2,193 under graduates and 80 graduate students. Since 1922 the enrollment has been restricted as nearly as possible to 2,000 students.

Dartmouth's prominence in modern football dates fro the year 1901 when the college had grown to an enrollment of 686 students. Through 27 football seasons beginning with that of 1901 Dartmouth teams have won 179 games, lost 40 and tied 12. These teams have played against teams representing 42 other colleges and have won from 28 of these and lost to 14.

The Green teams have scored a total of 4,807 points to their opponants 1.225. The team of 1925 was not defeated or tied. The Dartmouth teams, of 1904, 1907, and 1924 were also undefeated but were each tied once. In 15 of the past 27 football seasons the team has been defeated only once. In only 4 of these 27 seasons has a Dartmouth team been defeated more than twice.

Yale is the only one of Dartmouth's opponents which the Green has never defeated. Since 1901 Dartmouth has tied Vale once, in 1924 and lost to the Blue in 1926 and 1927.

In spite of the bitter differences of the recent campaign, the candidates all agreed that they believed in prosperity.

Although the women cast an enormous vote November 6, no complaint has yet been made to the government that dinner was not served on time that day.

The women appear to have cast the majority of votes in some places, but even if so they haven't started any movement yet to deprive the men of the right of suffrage.
