Over three hundred years ago the first Thanksgiving Day was held — to celebrate a good harvest. Every item on that first Thanksgiving menu was either raised in the gardens of the Old Pilgrim Fathers or was secured from the surrounding forest. Today, you have only to call your grocer to receive delicacies from all over the world — as well as the finest America's home grown dainties.

## THE OLD FASHIONED THANKSGIVING DINNER

"Over the River and through the woods  
To Grandmother's house we go;  
The horse knows the way to carry the sleigh  
Through the deep and drifted snow.

"Over the river and through the woods,  
Trot fast my dapple gray,  
Spring over the ground like a hunting hound  
For this is Thanksgiving Day."

No matter where you're going on Thanksgiving, you'll want to look your best — and those who are particular regarding their personal appearance will find our service to their liking.
