Grace M. E. Church

North avenue at Laurretta Place
 Rev. Frank D. Hopkins, pastor
 Another fine congregation, unusually beautiful musical numbers from the choir and a well received sermon on the nature of the Christian church were features of last Sunday morning service.
 The Church school is growing in interest and numbers under the direction of Supt. Wm. Bletch and his corp of teachers. A new Club-Class for older boys and young men is being organized. Any young man will be cordially welcome and will find something just suited to his needs and interests.

The dinner given by the Ladies Aid last Thursday was given splendid patronage and the church women feel much encouraged by such a large attendance.
 The pastor will give the sermon at the Union Thanksgiving service to be held in the Swedish M. E. church in Highwood Thursday evening.
 Methodists moving to Highland Park are cordially urged to unite with this church, as are any others coming here who find no church of their choice here.
 Next Sunday morning the pastor takes for his theme, "Worship" and will seek to enlarge and enrich our conceptions of what worship means in the church service. The merits of ritualism and symbolism in the services of the church and their dangers will be touched upon. Are we irreverent in our worship? Can one worship over the radio? What is the key to true worship? Does the sermon crowd out worship? Come and bring some friends with you.
 The new custom of taking the responsive reading directly from the Bible is proving most helpful and during the year many of the less familiar but most beautiful passages of Scripture will be read in the church service,—selections not found in the Psalter customarily used.
 The church is a school instructing men in the fundamentals of right living; it is a hospital for the spiritually sick and diseased; it is a training camp for the turning out of "good soldiers of Jesus Christ"; it is a refuge for the discouraged and storm-beaten; it is an outpost in the enemies country, proclaiming deliverance to the captives; it is a lighthouse warning against the ways that lead down to death and pointing the way to Life and Salvation; it is all these and more, but it is not and never claims to be a collection of perfect men and women.

 The evening service hour, 7:45, is in charge of the Young People's Mission circle. They will present a pageant featuring "The Cross." You will be helped by seeing it. Bring your friends.
 There will be no prayer meeting Wednesday evening since there is to be a meeting of the congregation on Thursday evening to elect the Sunday school officers for the coming year. CHRISTMAS SEALS ARE BEING ISSUED

Packets of Christmas seals from which the proceeds will go to the Lake County Anti Tuberculosis society to aid in the fight to eradicate the plague here, are being prepared by Miss Theda Waterman, the county nurse.
 Each envelope is to contain \$2 in seals.

Students in the commercial classes at the Waukegan high school addressed the envelopes for Highland Park, and same class in the Antioch high school addressed the Lake Forest letters.

All of these went in the mail last week.
 A fund of \$10,000 is being sought. This was the quota a year ago but only \$8,000 was reached.

Mrs. T. A. Potter of Lake Forest, Attorney Wilfred Hall, of Waukegan and Mrs. R. F. Allner of Antioch, have been appointed on the publicity committee by T. A. Simpson, county superintendent of schools, who is president of the society.

OLD PANTS BURGLARY SCHEME WORKS AGAIN

Waukegan Man Loses \$350 When Thief Fishes Trou-sers from Pillow

The old "pants burglary" game worked to a charm last night for a certain clever thief and this morning M. Oltusky of 502 Belvidere St., is looking for the burglar, his old brown pants, \$350 in cash and a check for \$50.
 Oltusky notified the police at 11 o'clock last night that he had just got to sleep when he felt a jerk under his head. He jumped up to see his "old brown pants" which had been folded up under his pillow, flying out the open window that had been closed when he went to sleep.

Policemen Tom McMahon and Cal Hoff answered his call to the police station and started an investigation. It was found that the window had been pried open from the outside and bent wire, hooked the pants and jerked them out of the window.
