North Shore Trust Company

Successful Young Man

A young man who is rapidly making a name for himself as a wise business man tells this story about himself.

"My parents died when I was 10 years old. I had no near relatives so father arranged in his Will for the bank to act as my Guardian as well as Executor.

The officers of the bank were like a father to me. They saw to it that I was well provided for. I talked with them about my plans—even about my clothes.

When I wanted to go to college, those men helped me pick my studies and plan my life work.

After I was through college the bank gradually turned things over to me. They helped me learn to manage my property.

Your family deserves this service.

CHARM OF SPAIN  
IN SPANISH FIESTA

Delightful Performance Given at  
Highland Park Club  
Saturday Night

Osoli more than justified the enthusiastic advance notices of the Spanish Fiesta which was presented with high success and plenty of native flavor at the Highland Park club on December 1.

Mrs. Henry B. Clark and her assistants cannot be offered too great praise for the beauty conceived and revealed in this picture of Sunny Spain. Mrs. Clark has the ability to do unusual things and do them well.

Senorita Nunez, as Senorita Dolores, received tremendous applause. Her solo dance and the one with Senor Primo de Gaytar, as well as the Violet Song, sung with exceptional grace, mark her an artist of whom Highland Park may well be proud. Osoli indeed feels distinguished by the presence of such a member.

Mrs. Walter Rutledge—the lovely cigarette girl, has a voice of beautiful range, delightfully used.

Mrs. Fred Shafer, Miss Marion Norcross, Miss Shirley McKay and Mrs. Heath Byford, the Malaguena Dancers, did justice to the numbers originated and directed by Miss Nunez.

The Sevillanas—a group of dancers including Miss Dorothy Reay, Miss Barbara Sincere, Miss Margaret Parkin and Miss Dorothy Nunn — all strikingly beautiful junior members of Osoli, evoked much praise, as did Miss Reay's solo dance.

Mrs. Carrie Wood Thomas was by far the best gypsy Highland Park has seen, and we are quite sure Mrs. Karl Meyer, in her role of shawl vander, should easily dispose of any number of shawls.

Mrs. John Dingle did especially good work as lottery vender.

Mrs. Morton Traub, rising to the occasion of taking Miss Mary Kimball's place at the last moment, made a most beautiful Mother Alvarez. Dainty, and sombre, in her quaint costume she was a real favorite. Miss Kimball's illness deprived Highland Parkers of again hearing her beautiful voice, of which everyone is truly fond.

Mr. Bert Crawford gave an excellent interpretation of the Blind Beggar.

Senor Primo de Gaytar and the Duke of Tetuan added much flare and color.

The flower girls, cigarette girls, sweetmeat vendors, gypsies, all proved

vivacious, charming and beautiful in their Spanish costumes.

Undoubtedly the adorable children, girls and boys, lead by Mr. Martin Collins as Padre Juan, in the procession of the Virgin, will be remembered as one of the sweetest and most picturesque sights of the Spanish Fiesta.

Miss Margaret Parkin created scenic effects that gave a truly marvelous background to the Fiesta.

Mrs. Karl Meyer was responsible for the clever programs.

The success of the ticket committee should make Mrs. George I. Cooley most happy. It was a large and difficult task remarkably well done.

A delicious supper was served under the direction of Mrs. Wilson Kline and her committee.

To complete the gaiety of the Spanish Fiesta, Cope Harvey's orchestra furnished music that kept the crowd in a dancing mood till a late and happy hour.

MERCHANTS PLANNING  
TRADE AT HOME DRIVE

Extensive Campaign to Begin  
Shortly to Show Benefit  
of Home Buying

A number of Highland Park merchants have united in a "Trade at Home" campaign and are co-operating with the National Merchants association in putting on this drive which will start shortly. Further announcements will be made in explanation of the plan.

This campaign is to be made in an effort to serve the buying public of Highland Park in a more practical, uniform and efficient manner, according to those who have charge of it. Also, to better trade conditions; give a more complete buying service; demonstrate the value of supporting home town stores; impress upon the public just who is the real loser when money is spent away from home; show the relative value the business institutions give to the town; show how the community must stand or fall depending upon the amount of money spent that stays at home.

DEERFIELD TO OPEN  
BASKETBALL SEASON

The first basketball game of the season of the Deerfield-Shields high school team will be played here Friday evening, at 7:30 o'clock with Harrison Tech of Chicago. There will be two games as usual. The lightweights are showing great promise, while the heavyweights are doing fairly well.

LINOTYPE OPERATOR  
MEETS WITH ACCIDENT

Mr. Daniel S. Hunt, of Rogers Park, linotype operator at the Highland Park Press suffered a fractured skull, Tuesday morning while on his way to work, and is in the Rogers Park hospital.

He had taken a Clark street, car to get to the Northwestern station at Rogers Park and alighted from the car at Clark and Greenleaf avenues. Just how the accident occurred is unknown, but the last that Mr. Hunt remembered was that he got off the car and looked both ways. It is quite possible that he was struck by an automobile.

SELVI CARLSON BACK  
FROM HUNTING TRIP

Selvi Carlson of the North Shore Music Shop, together with George Diecke, Lake Bluff contractor, and George Phillips, radio manufacturer, returned Tuesday from a three day hunting trip in northern Wisconsin, west of Land of Lakes. Unusually good luck was theirs, for each of the three "got his buck." Two of the deer they brought home. Mr. Carlson reports that game is unusually plentiful this year.

QUARANTINE DEERFIELD  
FOR SCARLET FEVER

The schools and churches of Deerfield have been closed and all public meetings abandoned, for a period of ten days, due to an epidemic of scarlet fever in that village. There are only fourteen cases in the village but it was felt that it was best to take precaution. So far there does not seem to be any such epidemic in Highland Park.

Open every night. For the convenience of those who cannot shop in the day time our store will remain open every night until 9 p. m. Take advantage of these extra hours to look around our beautiful store. There is no obligation. Schwartz Furniture Co., 11-13 So. Genesee street, just south of Washington, Waukegan. 41
