

# EASTER FLOWERS

You are invited to visit our 36th Annual Easter Flower Show, by far the most beautiful we have ever staged. Over 1000 Lily plants, all of our own growing, Roses, Hydrangeas, and a great variety of all other stock, all of the same high quality with which we again were awarded two first prizes at the recent Chicago Spring Flower Show and with which the Highland Park, Ravinia, Deerfield, Kenilworth and Evanston Garden clubs captured blue ribbons, using our flowers in their floral arrangements.

Besides our Greenhouses on Laurel Avenue, we operate 20,000 feet of the most modern Greenhouses, located at Ridge Road and Park Avenue, where we grow a splendid assortment of cut flowers, Snapdragons, Sweet Peas, Lupins, Gerberas, Carnations and many others. We also devote 26 acres to Nursery Stock, Shrubs, Evergreens and many thousands of Perennials, nothing better, and all at reasonable prices, and fresh dug to fill your order with.

We also carry the very best Grass Seed, especially adapted for our heavy clay soil. In fertilizers we handle Sacco, Vigoro, Lime Phosphate, Bonemeal, and Sheep Manure.
