

This is the **NEW**  
**Perc-o-Toaster**

Percolates  
Coffee

**TWO APPLIANCES  
IN ONE—AT THE  
PRICE of ONLY ONE**

Visit your Public Service Store today and see this wonderfully convenient new electrical device.

The new Perc-o-Toaster combines both percolator and toaster in one beautiful table service. It occupies the table space of one appliance and does the work of two. There is only one electric cord and only one electric outlet is needed. There are two plugs on the cord, one for percolator and one for toaster, so that you can use one without the other when you wish.

Makes Toast

The Perc-o-Toaster, of highly polished nickel finish, is distinctive on any table.
