

\$165,000 SAVED FOR YOU

This ticket submitted in the interest of good government is deserving of the support of every voter interested in the welfare of this community.

After the defeat of the Bond Issue for the erection of two new bridges on north Sheridan Rd., the Town Board of Deerfield Township, consisting of the Justices of the Peace of the Township, the Supervisor and Town Clerk, did authorize William J. Obee, Supervisor, to extend his utmost efforts to procure State aid for the building of these bridges. The effort was successful. By the Act of the Town Board of the Township of Deerfield, Highland Park property owners were saved \$165,000. One bridge has been completed by the State and the other bridge is in process of construction.
