Says Schools May Bar Children Unvaccinated

A board of education has power by resolution to fix a reasonable time—from two weeks to 16 days—during which pupils may not be admitted to the public schools unless they have either had smallpox, been successfully vaccinated for the same or shall submit to vaccination before entering the school.

This is the conclusion reached in an opinion given out last week by Attorney General Oscar E. Carlstrom to Harry B. Grundy, state's attorney at Taylorville, according to a dispatch from Springfield.

Zion Planning to Pass Zone Measure

Some time ago the mayor of Zion, with the approval of the city council, appointed a zoning commission, the purpose of which was to make a thorough study of the local situation and recommend to the city council the passage of an ordinance which would zone the entire city.

A tentative ordinance has been decided upon by the commission, and a public hearing on the question, as contemplated by the statute, has been called, to be held in the council chamber in the police and fire station building of Zion, on Tuesday evening, April 9.

Civic Orchestra in Fine Program Sunday

One of the most pleasant events of the musical season will be held Sunday afternoon, March 31st, 3:30, when the Civic Orchestra will give a popular concert in Orchestra hall. Frederick Stock, musical director and Eric De Lamarter, conductor, have engaged as soloist Miss Lilian Rehberg, one of the most brilliant of the young violoncellists of the day who will interpret the concerto by Ednuard Lalo. The orchestral pieces will comprise the overture to "Oberon" by Weber, Tschaiakowsky's Fifth Symphony and the Spanish Rhapsody by Chabrier.
