## Be Jovial

Begin the day with smiling eyes;  
Pursue the day with smiling lips;  
Through clouds perceive smiling skies  
Up where the smiling sun beam trips.

Let smiling thoughts within your mind  
Drive gloom and cold despair apart,  
And promptings of a genial kind  
Keep ever growing in your heart.

Meet trouble with a cheery mien,  
Be jovial in the face of care —  
He routs all mischief from the scene  
Who greets it with a jocund air.
