in Deerfield affairs, is president of the Deerfield Public Library, Vice President of the Chamber of Commerce, and has worked for the establishment of a park system in Deerfield.

Clarence Huhn

Clarence H. Huhn, People's Economy ticket candidate for village clerk is a native of Deerfield and a man of high standing in the community with a host of friends by whom he is held in sincere esteem. He holds a responsible position with the Western Electric company and is especially well qualified for clerical duties such as those which would devolve upon him in the office of village clerk. He is very courteous and painstaking in every detail and his friends declare that he would make an ideal village clerk. To his host of loyal friends throughout the community he is affectionately known as "Clarence."

Seth N. Gooder

Seth N. Gooder is a candidate for member of the village board and is held by his friends and supporters to be one well fitted for the duties of that office. He is interested in the welfare of the community and his friends feel that he will do all in his power as trustee for the advancement of the community.

Fred Lebahn is candidate for trustee on the village board for one year. He also has many warm friends in the village and are supporting his candidacy with zeal. They declare that his ability and experience make him a fitting candidate for the office and urge his election.

He was born in Cincinnati, O., where he received his education in civil engineering, and came to Chicago in 1909 and resided in South Shore, with exception of a period in Key West during the war, until moving to Deerfield in 1920. His business connections have been as follows:

Civil engineer Chas. H. Havlois & Co., two years; engineering department Corn Products Mfg. Co., on construction Argo, Ill., plant; engineering department Western Electric Co.; engineering department Armour & Co.; industrial designer, La Plata, Argentine, plant, East St. Louis, Sioux City, Union Stock Yards additions and numerous other plants. Private practice, civil engineering, City Hall Square Bldg., 1914-1916; chief engineer L. P. Friestedt Co., 1916-1917; general superintendent of construction Naval and Air Station, Key West, Florida, 1917-1919; chief engineer L. P. Friestedt & Co., 1919 to 1926; president Gooder Hendrickson Co., Inc., 1926 to date.

His engineering work has included moving Harrison Street Bridge, shoring and substructure work, Tribune Tower, Palmer House, Stevens Hotel, Eitel Block, Masonic Temple, Chicago Theater, Sherman Hotel, Allerton Club, Palmolive Bldg., Kimball Bldg., Fair Department Store and others. Recently completed undersigning for Rubin Dept. Store, Waukegan, and at present is engaged on Chicago Board of Trade building.

The soccer league season has already started and as soon as the Peel cup race is out of the way the club will play in West Park every other Sunday until June, when the spring season is over, and then comes a rest until the fall season starts about the first of September.
