

Y. W. C. A. Notes

The Mothers' club entertained a hundred members and guests at an old-fashioned evening in the Y. W. C. A. Assembly room Tuesday night. There was a display of quilts, some many years old and others very modern. A table of antique novelties and old-fashioned keep-sakes attracted much attention. Two musical numbers, "Sylvia" and "The Quilting Party" were given by Mrs. Frank Horn and Mrs. Jirah Cole accompanied by Mrs. Harvey Pardee. "Neighbors" a one act play by Zona Gale was presented by the following members of the club: Mrs. Louis Schemmel, Mrs. Hettie Jones, Mrs. Willis Gerken, Mrs. John Fay, Mrs. Fred Lindstrom, Mrs. William Hayward, Mrs. Thomas Corrigan, and Mrs. William Schmidt. The setting for the play was the kitchen of a small village home of some 50 years ago. The characters were all well taken and the costumes and clever lines caused much laughter and applause.

Sixty women and girls attended the Easter Breakfast held at the Y. W. C. A. Sunday morning at 6:30 o'clock. The breakfast was prepared and served by a committee of girls. Following the breakfast an Easter cantata "Judith" was presented.

The House committee met Wednesday morning for its regular monthly business meeting. Following the meeting the members remained for luncheon and sewed on the new cur-

tains for the first floor rooms of the Association building.

The Budget committee, Mrs. W. C. Shipness, chairman, will meet Friday morning at 9:30 o'clock. At ten o'clock the Finance committee of which Mrs. L. R. Rigdon is chairman, will hold its April meeting.

The board of directors of the Y. W. C. A. will meet Tuesday morning at ten o'clock at the Association building. Miss Margaret Burton, director of the department of Education and Research of the National board of the Y. W. C. A. will be the speaker. Miss Burton is coming to Chicago to attend the Regional conference to be held at the Sherman hotel April 10, 11 and 12. The Highland Park association is very fortunate to be able to secure Miss Burton for the board meeting.

The B. Y's club will entertain with a "Nonsense Party" at the Y. W. C. A. Tuesday night, April 9th.

The meeting of the Friendship club which was scheduled for Thursday night has been postponed because of the Regional conference of the Y. W. C. A. in Chicago. A number of the club members will attend the Interest Group Dinners Thursday night, which are a part of the conference program.

The Makio Girl Reserves will prepare and serve a supper for the club members in the play room of the Y. W. C. A. Friday evening at five o'clock. Helen Prior, president of the club, will lead the study of the meaning of the Girl Reserve code.

The Live Y'er Girl Reserves will have a skating party Tuesday after-

noon followed by supper at the Y. W. C. A.

The Girl Reserve Cubs will have a study of the Flags of all nations at their club meeting Monday afternoon.

The Look Out Girl Reserves will meet next Wednesday to plan for a box social for club members and boy guests.

Rotary Club Meeting at Moraine Monday

The Highland Park Rotary club enjoyed its usual weekly dinner and business meeting at noon on Monday at the Moraine hotel, with a good attendance of members. There was no special program and no speaker had been engaged for this session, but the meeting was a good one and marked by interest in the general discussion of matters pertaining to the good of the club.

Old Pearce Corner, Waukegan, Is Leased

Announcement of the leasing of the Pearce corner on the northwest corner of Washington and Genesee streets to the Mrs. Strovers Bungalow Candy corporation of Chicago, for a period of 30 years, was made last week by Dr. Percival Pearce, representing the Pearce estate.

The concern will erect a two story building with a basement on the site. This building will revert to the ownership of the Pearce estate at the end of 30 years. Work on the structure will be started immediately, it is stated.

The Pearce estate will receive an annual rental of \$10,900 for the property, it is reported.

Resume Work on Route 173, Zion to Rockford

With the opening of spring, work has been resumed on the eastern terminal of Highway 173, laid out between Zion and Rockford. The division now under contract, extending from Sheridan road and running for a short distance along Twenty-first street, Zion, is six and six-tenths miles in length, extending west to Rosencrans, about one-half mile west of the Des Plaines river.

Construction of this section is under the personal supervision of State Highway Engineer Peck, and work will be pushed rapidly forward to its completion. Considerable grading already has been done, and all culverts and bridges on the division have been constructed. A number of grading machines and other equipment have arrived within the past few days, and the work of pouring the concrete will begin as soon as possible.

Miss Margaret Church who is attending college at Oberlin, Ohio, arrived home Wednesday to spend her spring vacation. She was operated on for appendicitis March 25 and has made a rapid recovery.

Local and Personal

A goodly crowd attended the Hard Times party given by Campbell Chapter No. 712, O. E. S., honoring their seventeenth birthday anniversary last evening. There were many humorous costumes, and those attending report a most enjoyable evening.

Wired Radio to Be Installed in Homes of Cleveland, Plan

Wired radio is to be installed in listeners' homes in Cleveland in May, C. W. Hough, president of Wired Radio, Inc., of New York has informed the federal radio commission.

Mr. Hough said arrangements are being made with the telephone company in Cleveland for use of its wires. He outlined to the commission the plans of his company for establishment of the new system by which specially designed receiving sets will be rented to listeners and the programs sent over the telephone wires by stations serving various cities. The sets also will be fitted for reception of the regular "space" radio programs.

The company has applied for three short wave channels for broadcasting the programs to the city stations which in turn will put them on the wires that carry them into the listeners' homes. It is planned to link these stations by permanently intercity telephone lines and to utilize the short waves for transoceanic relay of the programs to foreign wired radio fans.

He says the programs can be transmitted over the telephone lines on a frequency that will not interfere with the regular conversation service. Three different types of programs can be turned in, he said. In addition to the audible programs, the company plans eventually to transmit motion pictures synchronized with the voice signals.

Talent has been engaged, tentative program material arranged and many musical copyrights obtained, he said.
