PEOPLE'S TICKET IN DEERFIELD ELECTION

Candidates and Qualifications
are Described; Village Elec-
tion April 16

The following regarding the Peo-
ple's ticket in the Deerfield village
election is printed at the request of
friends and supporters of the ticket,
by whom the article is contributed.

The candidates representing the
People's party in the coming election
for president and board of trustees,
village clerk and trustees have been
selected and endorsed by leading
business men and prominent citizens
of Deerfield for their excellent char-
acter and qualifications. They are
taxpayers and are vitally interested
in all matters pertaining to the pro-
gress, growth and welfare of the vil-
lage.

These men are independent and
are not pledged to any organizations
or persons. They are strong advoca-
tes of business-like, efficient, pro-
gressive, fearless and economical ad-
ministration of all village affairs.
They are known by the residents of
Deerfield as energetic, honorable,
capable and trustworthy citizens
whose ability and sincerity are of
the highest standard. A square deal
for all has been and will continue to
be their watchword.

Hood for President

James J. Hood, candidate for re-
election for president of the board
of trustees, was born in Philadelphia,
Pa., and educated in the public
schools of that city. He formerly re-
sided in Wilmette, Ill., for many
years and for the past eight years
has lived in the home he purchased
on Deerfield avenue. Mr. Hood is
western manager and representative
of the A. M. Collins Manufacturing
company of Philadelphia, one of the
largest paper manufacturers of its
kind in the United States. He has
been connected with this firm for a
period of over 40 years, a record any
man should be proud to possess. The
largest paper dealers and manufac-
turers from coast to coast know him
and admire him for his integrity,
honesty and fairness in all business
and personal transactions. In Deer-
field, he has served as a village trus-
tee, is a member of the drainage
board of West Deerfield township,
and for the past four years has been
president of the board of trustees.
Through his efforts the Deerfield
chamber of commerce was organized.
Five years ago he suggested the
building of a community building
and has continually been working for
it, the construction to be started
when it can be successfully financed
and the people of Deerfield want it.
While he has been president water,
sanitary and storm sewers and pav-
ing have been installed throughout

Deerfield Legion Will Sponsor Poppy Sale

Tag days come and go—to be fol-
lowed by more tag days, and a great
many people who do not understand
the "why and wherefore" of Poppy
Day question, the good which may
be done by the money given for the
little red flowers. Poppy Day is one
of the outstanding—I think we can
safely say the outstanding—tag day
of the year, since it is a national
event, and one which offers to every
American the opportunity to express
his appreciation and sympathy to
those of "Our Boys" who were not
fortunate enough to return whole in
body and mind from the conflict
abroad.

The paramount idea in planning
the manufacture of poppies is to
financially assist the men who make
them. Did you know that they are
made by sick and convalescent men
who can only work for a short period
each day or men so recently dis-
charged from hospitals that they are
unable to do much? If we can give
them poppies to make, we are helping
them to help themselves. When you
buy a poppy, please remember that
the auxiliary pays five cents for each
poppy it handles, and, if your poppy
happens not to be perfect, remember,
again, that it was made by a sick or
disabled man.

Deerfield Unit No. 738, American
Legion Auxiliary, will, again this
year, offer to every person in Deer-
field the privilege of buying a poppy,
and we request the co-operation of
our fellow townspeople to make this
the banner poppy sale of our unit.
Deerfield unit buys and distributes
only veteran-made poppies, and,
therefore, if you secure your poppy
from one of our workers, you are
assured that your contribution will
aid doubly in a most wonderful work-
—first, part of it will go to pay the
veterans who make Deerfield poppies,
and second, the remainder of it will
be used in carrying on the rehabilita-
tion program of Deerfield unit.
