ELKS TO CELEBRATE TENTH ANNIVERSARY

Ceremonies April 12; J. F. McCarthy, Who Installed First Officers to Officiate

Highland Park Elks lodge, No. 1362 will celebrate the tenth anniversary of its organization on April 12, at which time an old-time installation night will be staged, including everything that went to make such observances successes in the days a decade ago. Announcements sent out over signatures of John O'Keefe, William Witten and J. H. Moran, the arrangement committee indicate that a big time is in prospect, and it is noted that there will be no expense attached as far as members are concerned. So, now "whoopie" concludes the notice.

Instituted in 1919

The Highland Park lodge No. 1362, B.P.O.E. was instituted April 21 1919, with a charter list of 76. Justin F. McCarthy, then exalted ruler of the

Chicago lodge, No. 4, and his staff officiated.

It is a matter of notable importance that at the tenth anniversary of the lodge April 12, Mr. McCarthy will again officiate as installing officer. He is a brilliant lawyer, an eloquent and forceful orator and an eminent member of the order, distinguished in various lines and widely known and esteemed. Highland Park Elks are urged to turn out in full force to welcome him on his return here as installing officer after all these years.

Officers to be Installed

The officers of the local lodge elected for the ensuing year, and who will be installed on the evening of April 12 are the following:

Exalted ruler — Archibald Abercrombie.

Esteemed leading knight — D. S. Edwards.

Esteemed loyal knight—James A. Collins.

Esteemed leading knight — W. J. Desmond.

Secretary — Lloyd L. Larsen.
Treasurer — William Becker.

Exalted Rulers Listed

The list of exalted rulers and their terms of service to the lodge since its organization are as follows: John O'Keefe, two years; A. E. Smith, two years; Howard Moran, one year; John Conrad, one year; Clifford Moran, one year; W. Fred Gallagher, one year; Dr. J. P. O'Connell, one year; Wayne Hise, president incumbent whose term is just ending.

Italian Society Gives Play Sunday Evening

"Senga-Patria," (Without a Country), a drama in two acts in Italian by Pietro Gori, will be presented at the Elm Place school auditorium on Sunday, evening at 7:30 o'clock by the "Novella Gloria," a dramatic company of Chicago and the High-wood dramatic company.

As an added attraction Miss Margaret Malpelli will do a few classical dances and after the play the audience will be entertained by a one act comedy "Il Numero Fatale." Tickets will be on sale that evening at the door.

City to Remove Shrubs at Dangerous Corners

The city administration is continuing its policy, started last fall, of removing shrubs etc., from parkways at street intersections where they obstruct the view of motorists on the streets and are deemed a menace to safety, it was announced this week at the city hall.

It was also pointed out that last fall some property owners, who were notified to remove shrubs from parkways asked for time until spring, when transplanting could be done to better advantage, have so far failed to move the shrubs, and notice is being issued by the city that unless this is done forthwith, the city will proceed to cut down the obstructing shrubs at dangerous corners.

Return from Biloxi

Mrs. and Mrs. Orson B. Brand returned Saturday from Biloxi, Miss., where they spent several weeks. Mr. Brand reports having driven for miles through water in the flooded district near Cairo, Ill.
