

DEERFIELD SHIELDS HIGH SCHOOL

Summer Sport Season Opens at High School

Since the sun has come to stay with us for a while, everyone at the Deerfield-Shields high school, wants to be enjoying the sports which can be played outside. It is the hope of Miss Perry, Miss King, and Miss Keller, the gym instructors, that all the girls who are physically able, will avail themselves of the opportunity of participating in one of the many sports now being offered.

One of the games which many girls enjoy is baseball. Practices for this sport have already started.

"Those who are planning to go out for baseball, should start practicing right away," says Miss Perry, "since we do not have much time to spend on practices."

After reading about that wonderful track star, Elizabeth Robinson, every girl wants to go out for track and see what she can learn. They don't all have to be able to jump high, or to be real fast, 'cause there are other events that are going to be held in their track meet.

Swimming was voted to be a major sport this year at Deerfield-Shields. This means, of course, that interclass teams will probably be chosen soon.

Tennis champions will not have a chance to win so much this year, since instructors will teach all beginners about the sport. There will be some keen competition.

Airplane Ride Is Prize for Best Model Plane

With the added incentive of an airplane ride, which will be given to the boy who builds the best scale model plane, the members of the Deerfield-Shields Model Airplane club are all entering models in contest which will be held soon.

There are three divisions of the contest, but the prizes will only be given to the winners in the commercial model section. These prizes, which have been offered by Hunter's sport shop, will be an airplane ride for first place and medals for second and third places.

The club has placed several model planes on display in one of the school's trophy cases. Peter White, president of the club, says that there will be some very close competition. Every member of the club has entered the contest.

EUGENE LAURANT SHOWS TRICKS IN ASSEMBLY

Entertaining the entire school with his skill in tricks, together with modern American illusions and mysteries, Eugene Laurant, magician, won applause from everyone in assembly Monday, April 15. Mr. Laurant was the last professional to appear at Deerfield-Shields this school year.

The linking rings of China, the magic stove, contrast in black and white, and the rope trick of India were a few of Mr. Laurant's offerings.

Deerfield Band Members Win in Solo Events

As one in a group of six schools participating, Deerfield-Shields band traveled to Elgin, Ill., last Saturday, April 13, to attend the contest held in the Masonic temple.

The bands were judged on music and technique, marching and sight reading, together with solo groups. Vittorio Lenzi of Deerfield-Shields placed first playing a solo in a group of seven baritone instruments, while Wilbur Smith tied for fourth place as soloist in a group of nineteen clarinet soloists.

Waukegan High school took first place in the marching and East Aurora High school first in sight-reading.

As a finale, the whole group of band contestants paraded through Elgin.

Those schools entered in the contest were Deerfield-Shields, East Aurora, winner of the contest; Freeport, second; Waukegan, third; Proviso and Elgin.

Magician Gives Program in Deerfield Auditorium

Before the entire student body and several guests, Mr. Eugene Laurant, magician, gave a program consisting of Hindu magic and illusions, April 15, in the Deerfield-Shields auditorium.

Several students participated in the program, helping to examine steel rings, holding the "mysterious" paper and taking part in the disappearing ring trick. Mr. Laurant kept things "going" by relating his experiences and those of an ancient Hindu from whom he told the audience he learned the art of magic.

TWELVE HUNDRED SEE SENIOR CLASS PLAY

Superior handling of parts in a difficult play seemed, according to a number of people, to characterize the presentation of "The Copperhead," the senior play of Deerfield-Shields high school, which was given before an audience of twelve to thirteen hundred people last Friday evening, April 12, in the high school auditorium.

The play was put on entirely by the senior class, under the direction of Miss Comer, dramatics instructor at the high school. The only exceptions were Kathryn Einbecker, daughter of Mr. and Mrs. William Einbecker of Lake Forest, who played the part of Elsie Shanks, and Ruth Drake '31 who sang.

The settings were made by the shop classes under the direction of Mr. Schneider, who was technical adviser.

Due to the absence of many members of the high school orchestra, who were participating in the sectional Band contest at Elgin Friday and Saturday, an ensemble of students and alumni, under the direction of Mr. Dinkeloo, played before the play and during intermissions.

Plans Being Made for Junior Prom

Now that the Deerfield-Shields senior play is over, plans are being made for the junior prom. A joint meeting of the various committees was held Monday, April 15, and one will also be held today.

Mr. Schneider, head of the industrial arts department, heretofore has been busy with the play, but now he has about three weeks which he will devote entirely to arrangements of the prom. All plans are to be kept secret, even to the decorations. Dorothy Campbell, in charge of the decorations, is planning a big surprise and there will be entertainment in addition to the dancing.

Although enough tickets have been sold to finance the prom, the goal of 150 tickets has not been reached.

Mr. Schneider says that they hope to sell fifty dollars worth of tickets in the remaining few weeks before the affair is to be given.

GEORGE T. ROGERS RE-ELECTED TO BOARD OF EDUCATION

With no opposition, George T. Rogers of Lake Forest was re-elected to the High School Board of Education Saturday, April 13.

Mr. Rogers, who has been a member for a number of years, has been a great asset to the board.
