Harrison, Lane, and Lake View, Chicago high schools, were each represented by two students.

The program began at five o'clock in the school auditorium with every school presenting some stunt. Deerfield-Shields opened the program with the school dance orchestra playing three numbers. New Man Secured for Deerfield Athletic Dept.

In order to give Coach J. A. Peel, head coach and gymnasium instructor of the Deerfield-Shields high school, an extra amount of time for overseeing track, swimming, and other sports, besides handling the office work and the many other things a coach must do, a new teacher will be added to the staff of the high school next year. The new teacher, Mr. A. N. Thurston, now of Melrose high school, Melrose, Massachusetts, will teach in the Latin department, which has needed a teacher since the resignation of Mr. Heaton, and will be head coach of the varsity baseball team and of the junior football team during the coming year.

Mr. Peel, who has wanted an extra man on the athletic faculty for some time, is glad to have another assistant.

"My idea," said Mr. Peel of the physical education department, "is that we should get every boy in the school into athletic activity. Since

I came to Deerfield-Shields I have worked toward that end."

Mr. Sandwick, who secured Mr. Thurston, said of him, "Mr. Thurston is a graduate of Dartmouth where he was awarded highest honors, both scholastically and athletically. He is a member of Phi Beta Kappa and has played varsity baseball."
