OUR used car department is operated under the famous Chevrolet Red O. K. Tag system. Under this plan, we attach a Chevrolet Red O. K. Tag to the radiator cap of every reconditioned car—showing exactly what vital units of the car have been checked or reconditioned by our expert mechanics.

We believe that no fairer system of used car merchandising has ever been worked out—for it assures the customer honest value, as well as a dependable, satisfactory car.

Due to the great popularity of the new Chevrolet Six, we have on hand at this time a wide selection of "O. K.'d" used cars taken in trade on new cars. Come in and look them over. You are sure to find exactly the car you want at a price that will amaze you. And our terms are exceptionally easy.
