

If You Have a Daughter

How can you give her a share of your estate in such a way that it will be kept entirely apart from the affairs of others and assure her an independent income for life?

How one man solved a similar problem through a form of Trust agreement is told on page 9 of our new booklet, "Proved Plans for Solving Estate Problems."

This booklet also contains solutions of other similar financial and business problems affecting both the individual and his or her dependents.

It will be mailed free upon request to any one interested.

Perhaps you would like to confer with us as to how our Trust services might help you solve some particular problem pertaining to your estate. We cordially invite you to do so—in confidence, of course, and without expense or obligation to you.

Thank You!

We appreciate the great number of good folk who visited our store on Opening Day and found out for themselves just what we meant in our Opening Ad when we said "A Store of Importance." We want you to know just how very much we appreciate the welcome you gave us. It was not without a feeling of pride that we heard more than one remark that they were glad we were here. We are doing our utmost to demonstrate to the community beyond any possible doubt the style supremacy, the service supremacy and the value giving supremacy of the Smith Store.
