Another Record!

over

500,000

New Six Cylinder CHEVROLETS

since Jan. 1st

Again, Chevrolet Surpasses Its Most Brilliant Record of the Past by Producing over 500,000 Six-Cylinder Chevrolets in Four Months—a Greater Number of Six-Cylinder Cars than Any Other Manufacturer Has Ever Built in an Entire Year!

Even with such an impressive record to focus attention upon the outstanding value of the Chevrolet Six, many people still do not appreciate what "a Six in the price range of the four" actually means!

Here, at prices so low as to be within easy reach of anyone who can afford any automobile, are afforded all the smoothness, reserve power and quietness of a great six-cylinder valve-in-head motor. In its speed, its acceleration, its absence of vibration and drumming and, above all, in its economy of better than 20 miles to the gallon it completely revolutionizes every previous

standard of performance in the low-price field.

And in beauty and comfort, as well as in performance, the new Chevrolet Six ranks as an outstanding achievement.

Its new Fisher bodies are beautifully finished and luxuriously appointed. Steering is delightfully easy, due to a full ball bearing steering mechanism. And the newly-designed 4-wheel brakes are powerful, quiet and unusually easy to apply.

If you are in the market for an automobile—come in! You owe it to yourself to learn why over 500,000 people have chosen the Chevrolet Six since January 1st!
