

Y. W. C. A. Notes

A Call to Conference was the subject of the meeting of the B. Y.'s club at the Y. W. C. A. Tuesday night. The summer conference for Business Girls is to be held at Camp Gray, July 12-20. Vivid stories of conference experiences were related by Grace Newmeyer and Alvina Schneider who have attended Camp Gray conferences. The theme for this year's conference is "To the worker who can dream and to the dreamer who can work, life surrenders all things." The club is to give a dance Thursday evening, May 23, in the Y. W. C. A. assembly room for the benefit of their conference fund. The dance will be in charge of Winnifred Cullen, chairman, assisted by Marian Leffert, Katherine Rheinhart, Mayfred Hansen, Beulah Demgen, and Emily Brynn. The B. Vacation Church School to Open June 24 for 5 Weeks

I am the Vacation Church School. I am a mere youngster in the Religious Education Family. My older brothers, Sunday school and Young People's society and Missionary guild, were here a long time before I arrived. Some people call that lad, The Weekday school, my twin brother.

Though young, I am lusty and growing fast, and often proud of myself, and sometimes a disturbance.

I am an engineer, for I take idle hours, and unoccupied children, and unused teachers, and empty buildings and put them together into a character building enterprise.

I am an efficiency expert, for I crowd into a few weeks as much actual education as my older brother, the Sunday school, can supply by spreading his efforts over a whole year.

I specialize on capitalizing leisure time for Christian ends.

I am not expensive.

I create no problems — rather I solve them.

I need only some attention to grow lustily.

Try me!

I am the Vacation Church school.

The above item taken from the International Journal of Religious Education gives some trite things regarding the Vacation Church school. Last year the Vacation Church school conducted by the Presbyterian church in Highland Park was one of the most successful ones in the history of the church and this year we plan to conduct a school equally as fine as the one last year. We take pride in the fact that our school was one of the few on the north shore that was accredited by the Chicago Council of Religious Education and the International Council of Religious Education. One of the representatives for the Chicago Council stated the work done in our primary department surpassed much of that done in the Chicago district.

The Vacation Church school will be from 9:00 to 11:30 or 12:00 held in the Highland Park Presbyterian church from June 24th to July 26th. There will be morning sessions Sunday. The instruction will be o'clock every day but Saturday and graded to meet the physical, psychological, and spiritual development of the child, thus embracing all requirements for character building and practical Christian living. The instructors will be trained, many of them attending the Vacation Church school training courses offered in Chicago during May in order to gain the latest, approved methods of religious education. There will be a small enrollment fee for each child attending.

Enroll your child now and start his summer vacation right. The courses offered will combine most of the camp curricula with two advantages—religious growth plus home environment.

Food specialists are now recommending spaghetti as containing all of the health-giving elements, including, of course, exercise.

Bennett to Remain in "Jarnegan" Show

Richard Bennett had a wire asking him to come out to San Francisco to play "Jarnegan" in the near future, which he courteously declined for the reason that he expects to finish his present season in Chicago and take a long needed rest. "Jarnegan" is one of the longest roles Mr. Bennett has played and an arduous one, but at the same time an enjoyable one to him. Mr. Bennett believes in the redemption of souls and "Jarnegan" gives him the opportunity to show the public however faulty one is in the beginning, the power is there to redeem ones self if they are so minded.

Mr. Bennett has a ranch not far from San Francisco and it was no easy matter for him to decline the San Francisco offer, which would have afforded him the chance to spend part of each day at his home and enjoy the beauties of nature in the California country. "Jarnegan" will continue on its merry way at the Selwyn.
