World's largest and finest lamp stock is being sacrificed

Thousands of lamps—each an individual creation by a master designer—must be sold at once.

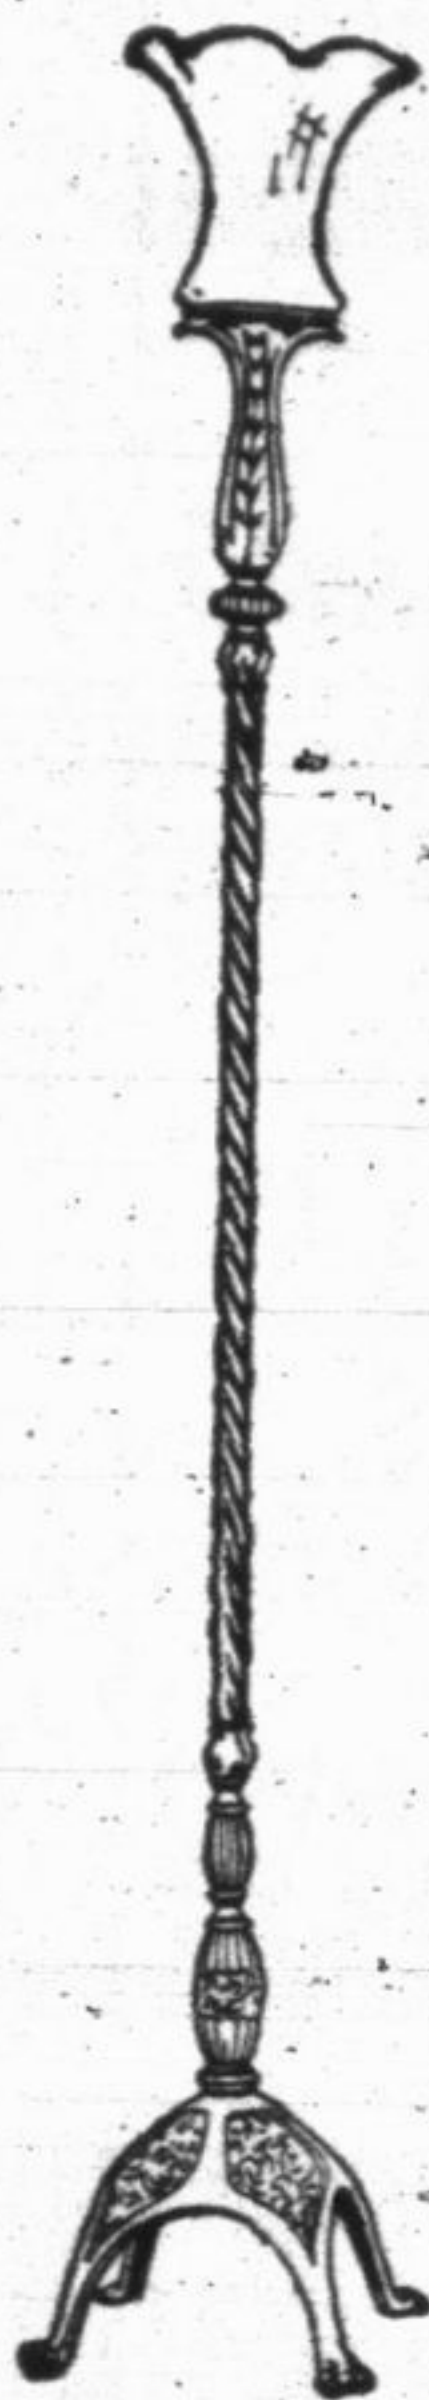

We are closing our magnificent wholesale lamp galleries to the public. Under our new plan this gorgeous display will be needed no longer.

So the world's largest and finest stock of lamps must be sacrificed at prices but a small fraction of their actual value.

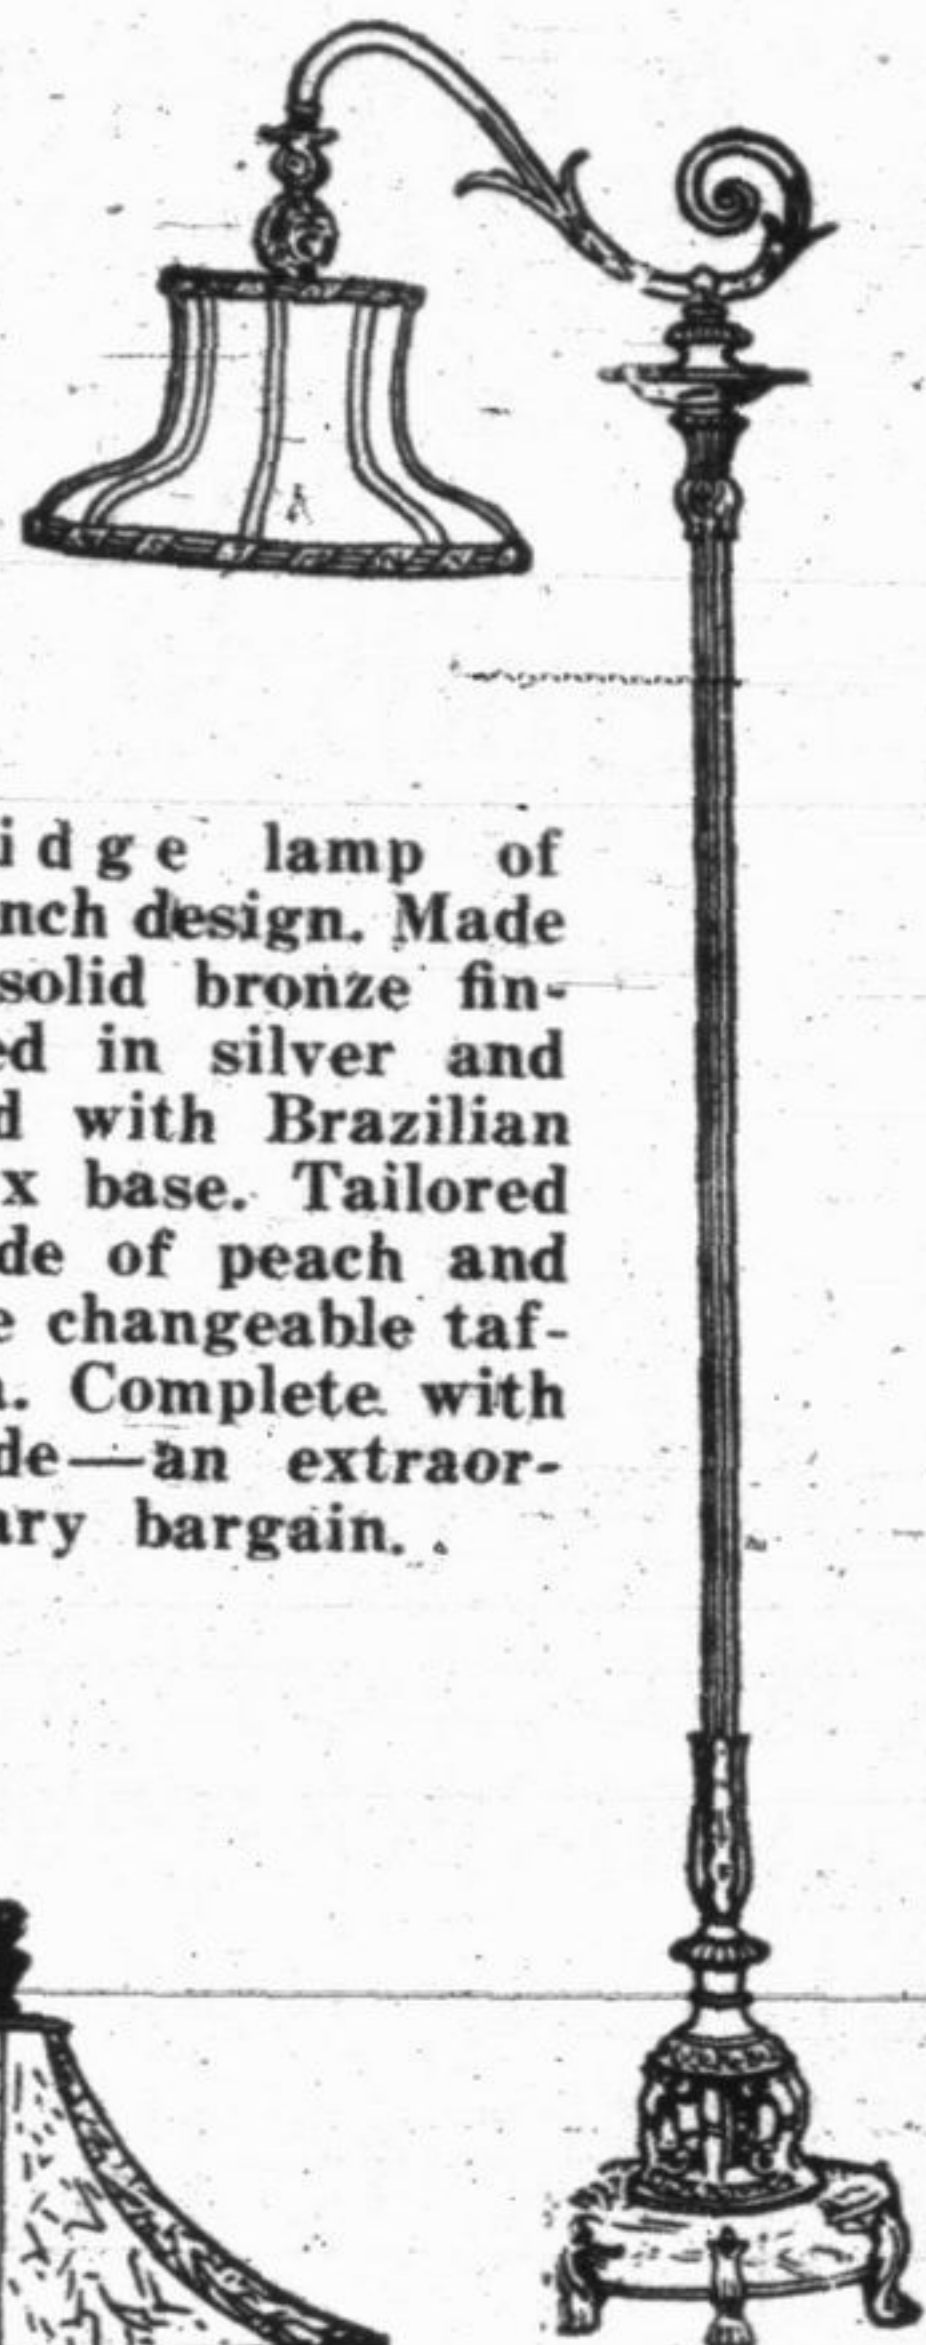

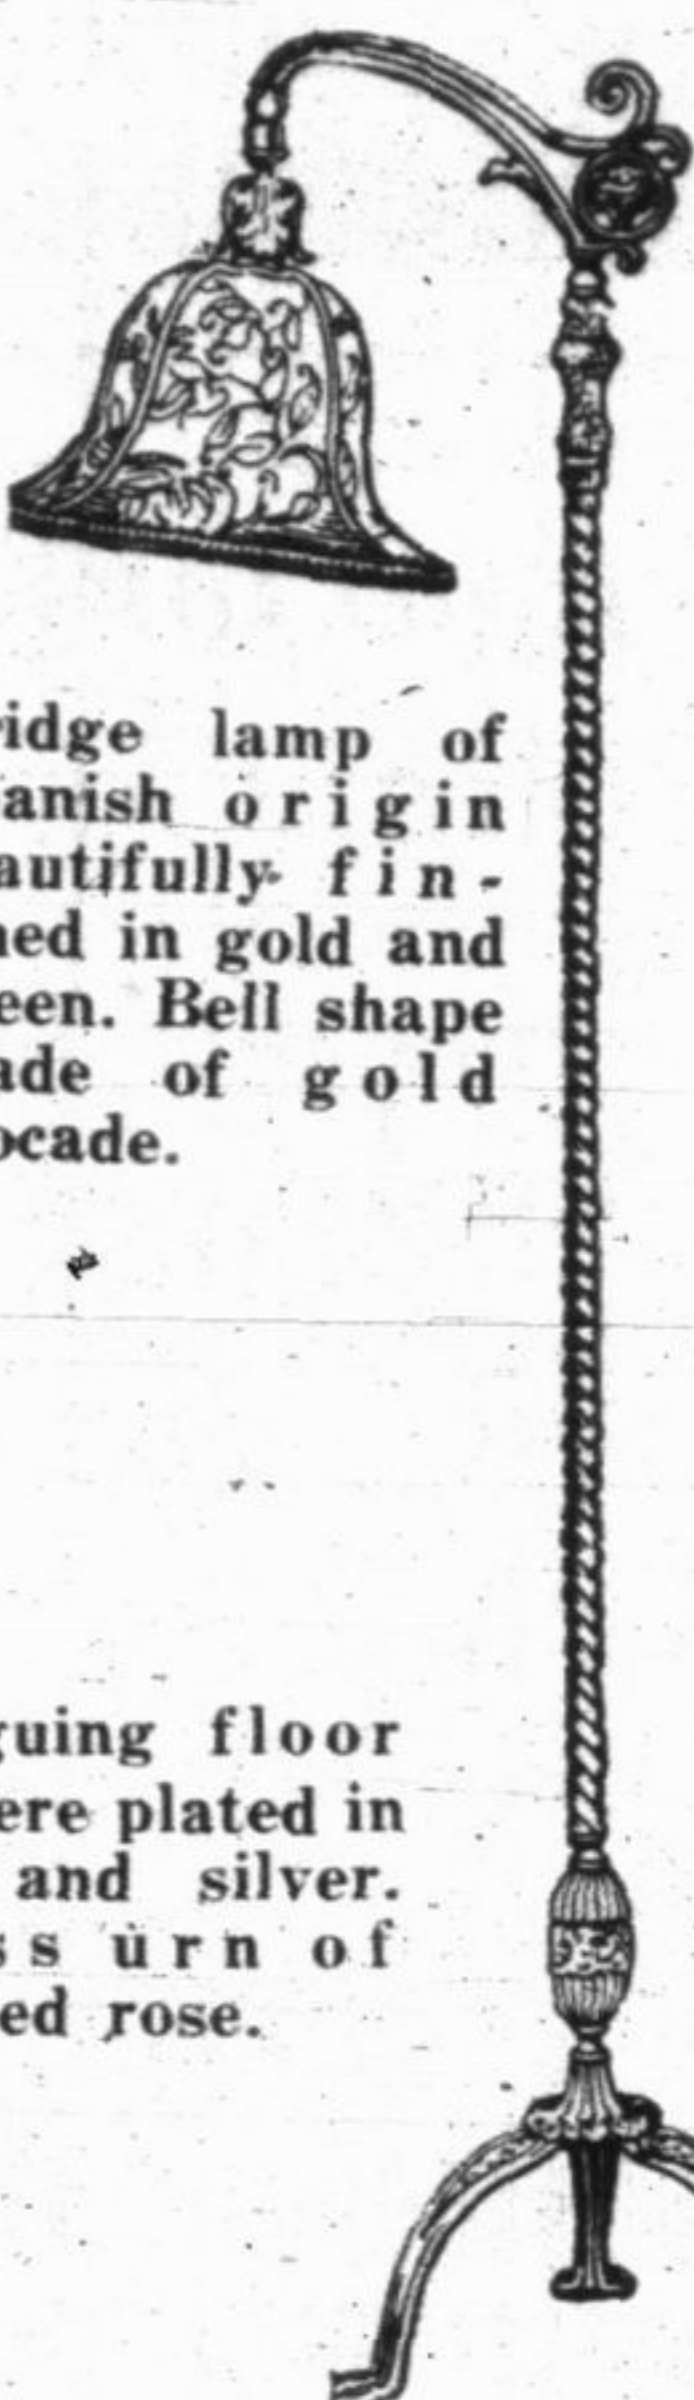

Only those can appreciate is. Nowhere compared variety. You inimitable alike. All lamp is price
