If you are considering the purchase of an automobile, you owe it to yourself to learn the true extent of Chevrolet's value leadership. And all you need to do is check the new Chevrolet Six against any other car—value for value and price for price!

Here, in the price range of the four, is offered a smooth, powerful, six-cylinder valve-in-head motor—which delivers better than 20 miles to the gallon of gasoline—and whose smooth, quiet, velvety operation, with its complete lack of drumming and vibration, is a revelation—even to those who are accustomed to driving high-priced automobiles. Here are beautiful bodies by Fisher. Here, in all closed models, are fitments by Ternstedt . . . rich, deep-tufted upholsteries . . . adjustable driver's seat . . . and a completely-equipped instrument panel. And throughout the entire chassis are found numerous examples of advanced engineering—such as quiet, non-locking 4-wheel brakes . . . ball bearing steering mechanism . . . automatic acceleration pump . . . and chromium plating on all bright metal.

But no mere recital of features can give you any conception of Chevrolet's value leadership. So we urge you to come in and see for yourself why over 500,000 people have chosen the new Chevrolet Six since January 1st!

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.
