

This Week

By Arthur Brisbane

**THIS WEEK
HE SPRAYS HENS.
THE NEW FARM PLAN.
HEADS AND FISTS.
FIRST AID FOR HOOVER.**

Thousands that would not read an Einstein pamphlet will read this.

Walter Dorsey, colored, of Atlanta, Ga., confessing to chicken stealing on a wholesale basis tells the judge, "I just sprays 'em with chloroform. Then stand back and wait. In about five minutes they flop off the roost and are ready for my sack."

That's more interesting to many of us than the distance of the farthest star.

The "William and Mary" plan to subsidize exports of farm products is rejected by Mr. Hoover. The Senate plans, nevertheless, to try it.

The plan is to give farmers exporting wheat, etc., a bonus of one-half the American tariff on all the wheat or other farm products exported.

After consulting the Departments of Agriculture, Commerce and the Treasury, Mr. Hoover says the plan would enrich the speculators and reduce world prices, since foreign markets would have to meet the competition of subsidized products.

Also, says the President, the plan would cost the country \$200,000,000 year, cause much bankruptcy and it would not solve the farm problem.

Mr. Tunney, world heavyweight champion, retired, has been visiting

George Bernard Shaw on a small, sunny island in the Adriatic Sea.

Tunney is barely thirty. Shaw is seventy-three. And Shaw, who has NOT retired, has no idea of retiring.

The head lasts longer than the fists.

Eight hundred delegates to the Red Cross Convention called upon President and Mrs. Hoover, and contributed first "First Aid" by refraining

from the usual hand-shaking nonsense.

Why eight hundred intelligent human beings should want to squeeze the joints of the hand and tug at the muscles in the arm of a busy man is not easily understood.

Handshaking should be abolished, since it means nothing and spreads germs.

Germany permits all survivors of the Emden to add "Emden" to the rest of their name. Thus Friederich Garbe is Friederich Garbe-Emden. The Emden destroyed eighteen steamers and one cruiser before an Australian cruiser ended its career.

On the same basis Colonel Lindbergh would call himself Colonel Lindbergh-Atlantic Ocean.

Frigidaire announces Lowered Prices on Frigidaire equipment for stores and restaurants

Get the facts at our showroom

Your present walk-in cooler, equipped with Frigidaire, will be more efficient and will cost far less to refrigerate than with the ice you're using.

When your present display cases and refrigerators are cooled automatically by Frigidaire, they can be placed to afford the greatest possible convenience. The problem of icing is gone!

BECAUSE of its tremendous increase in business, Frigidaire Corporation is now able to announce new low prices on Frigidaire equipment for stores and restaurants.

You'll be surprised to learn how little it costs to have Frigidaire installed in your present walk-in cooler, display cases and commercial refrigerators. Not only that, you make these fixtures more efficient... add years to their life... get from them all the service you bought.

At the same time you end ice bills and spoilage losses; spend less for more food and keep it better and longer; increase trade and net profits. Others do these things. So can you! And now's the time to do it.

Call at our showroom. Ask about the Frigidaire Unit System. Learn how you can enlarge your installation at any time by adding more units to the original equipment. Get all the facts... the prices and General Motors terms. Stop in or phone today.

This Frigidaire Cooling Coil alone will eliminate the expense and bother of 73 tons of melting ice a year. It's but one of many Frigidaire Coils.
