

King Deserts Regal Cuisine For Local Restaurant

Four and twenty black birds baked into a pie.
The King was so disgusted that he began to cry,
"A singing-pie! — I ordered cherry!
Not this crazy thing you're bringing
I'll dine where I can get a GOOD pie
And I shall do the singing."

there must be SOME reason for

Soda Supremacy

people do not flock here to please us—
but to please themselves

IT IS THE TASTE!

Nature has done something here that man could not do—
natural flavors for greater tastiness. Full flavor, too, be-
cause we are liberal in this respect. It certainly is the taste
where we show greatest supremacy.

IT IS THE CLEANLINESS!

Only the "one-in-a-thousand-housewife" can even approxi-
mate in spic and span cleanliness the immaculate condition
of our Soda Fountain and utensils. And there is "nothing
hidden under the sink"—everything is all open for your in-
spection.

IT IS THE COMFORT!

Comfort prevails. Soda stools just high enough and just big
enough, flexible enough, too, for comfort. Chairs and tables
to accommodate four, supporting backs, properly tilting
seats, just the right height from the floor. At the door, if
you will drive up and honk, you can take our sodas in fine
comfort in your car.

The other reasons are comparable in number with the number of
drinks we serve.

IN MEMORIAM

In loving remembrance of Bessie Ruth Clavey, who died May 20, 1928, aged two years.

"We had a little treasure once,
She was our joy and pride
We loved her ah! perhaps too well
For soon she slept and died
All is dark within our dwelling
Lonely are our hearts today
For the one we loved so dearly
Has forever passed away."
