Motor Cut-Out Passes

ate, the Illinois legislature passed the bill sponsored by Representative Richard J. the use of cutouts the vote was 80 to 60 in favor of the bill. Charles Weber of the principal spokesman of the bill declared that it is a matter of motor boats cut out on their boats, Lyons, who spoke in favor of the bill, said the case.

DEERFIELD SHIELDS HIGH SCHOOL

One Act of "Copperhead" Presented in Chicago

Deerfield-Shield's high school Garrick club will present the last act of the "Copperhead" in the contest conducted by the Drama League of Chicago at the new Goodman studio theater, Saturday, June 1. There are nine other schools entered in the contest of one-act plays, and Deerfield is last on the program.

Last year Deerfield-S... two extra prizes \$... for action and...

The decision of the judges is based on: first, choice of play; second, acting; third, the direction and presentation of play.

Those students who will act in the contest for Deerfield-Shields are Mary Will Riley, Harriette Golden, Donald Vaughn, Walter Watson, Harold Browning, Lawton Crosby, and Jack Jenkisson. Marion Huber and Richard Hawkins are property managers, while Edgar Jenkins is general stage manager.

Tickets may be purchased from George Hutchinson of the high school for a nominal charge.

Miss Comer, dramatic teacher at the high school, is expecting a good showing by her pupils and hopes to duplicate, if not win higher honors, than those won last season.

Deerfield Takes Third at League Meet

Running against some of the best athletes around Chicago, Deerfield's track team took third place at the suburban league meet which was held last Saturday at Evanston. Oak Park took first, while New Trier was second.

The Deerfield runners placed in five events, the mile, one-half mile, shot put, and in the quarter mile. Wrestling, Deerfield's star quarter miler, took first in the quarter mile, but was disqualified after running a wonderful race.

In the half mile relay, the Deerfield boys took a first by beating Oak Park's half mile relay that was runner-up at the state meet.

Bill Hammond added five points to our score by taking a first in the mile, which was a very fine piece of running turned in by Mr. Hammond. Bob Tucker took a fourth in the half mile and Geraghty also took a fourth in the shot put.

Bucky Carr ran a fine race in the mile and took a third. The total score was 14 points for the Deerfield trackmen.

BOARD OF EDUCATION BUYS LOT IN SUNSET TERRACE

For the purpose of erecting a new house by the vocational department, the Board of Education, which met last Tuesday, decided that they would purchase a new lot in Sunset Terrace.

In the last three years the vocational department has erected two homes in the Sunset Terrace and a building for the auto-mechanics class. The last house was an exceedingly hard project, and has been recently sold for \$16,000.

Ohio Boy Is Victor in Oratorical Contest

LaVon Coolman, a student of the Marion (Ohio) high school, won first place in the national baritone contest in which Vittorio Lenzi of Deerfield-Shields participated. The contest was held in Denver. Edwin Mitchell of Joliet placed second while Val B. ... of ... placed

Nicholas Senn high school of Chicago won the national band concert in class A. The Lansing Vocational high school band of Lansing, Michigan, won first place in class B, and Belvidere high school of Illinois won second place in this class.

High School Pool Open All Summer

Deerfield-Shields high school swimming pool will be open all summer for those who want to use it. Swimming two days a week will be free of charge. A nominal charge will be made on other days. Special days will be set aside when the pool may only be used by adults, and another by children.

Initiate Honor Society Members Next Tuesday

Members of the Deerfield-Shields high school chapter of the National Honor society will be announced next Tuesday at the regular initiation ceremony in assembly. The names of the candidates will not be revealed until that time.

The Deerfield-Shields chapter of the society was begun three years ago. Fifteen per cent of the upper twenty-five per cent of the Senior class are eligible, and are chosen by the six senior advisers on the basis of scholarship, leadership, character, and service. The maximum number of candidates for this year will be twenty-seven. The purpose of the society is to encourage enthusiasm, leadership, and individual development.

Shop Classes Planning to Assemble Rowboats

After completing their projects, Deerfield-Shield's shop classes are planning to assemble three row boats. When the boats are finished they will be used by Boy Scouts who have their summer camps in Wisconsin.

Deerfield Graduates Rank High in College

George Stryker and Wallace Reichelt have the two highest scholastic averages of the freshmen class at Lake Forest. Both of them graduated in the last year's class of Deerfield-Shields, and both boys are members of the Digamma Alpha Upsilon fraternity at the college. Each of these boys are remembered because of their prominence in the school life at De-

Livajeau Hall, who graduated from Deerfield-Shields in the class of '27, is on the honor list of the junior class at Oberlin college at Oberlin, Ohio. There are 277 students in the class.

The Physical Development cup, awarded to the most perfectly developed boy in the school, will be presented again this year by the athletic department of Deerfield-Shields high school.

The winner of the cup is judged from the standpoint of health, posture, and physical development. Last year, Dr. Carlstrom, of the American College of Physical Education, judged the boys, and William Hammond won the honor of having his name placed on the cup. Robert Lester and Jack Croke were second and third, respectively.
