not be back in time to par-
the contest.

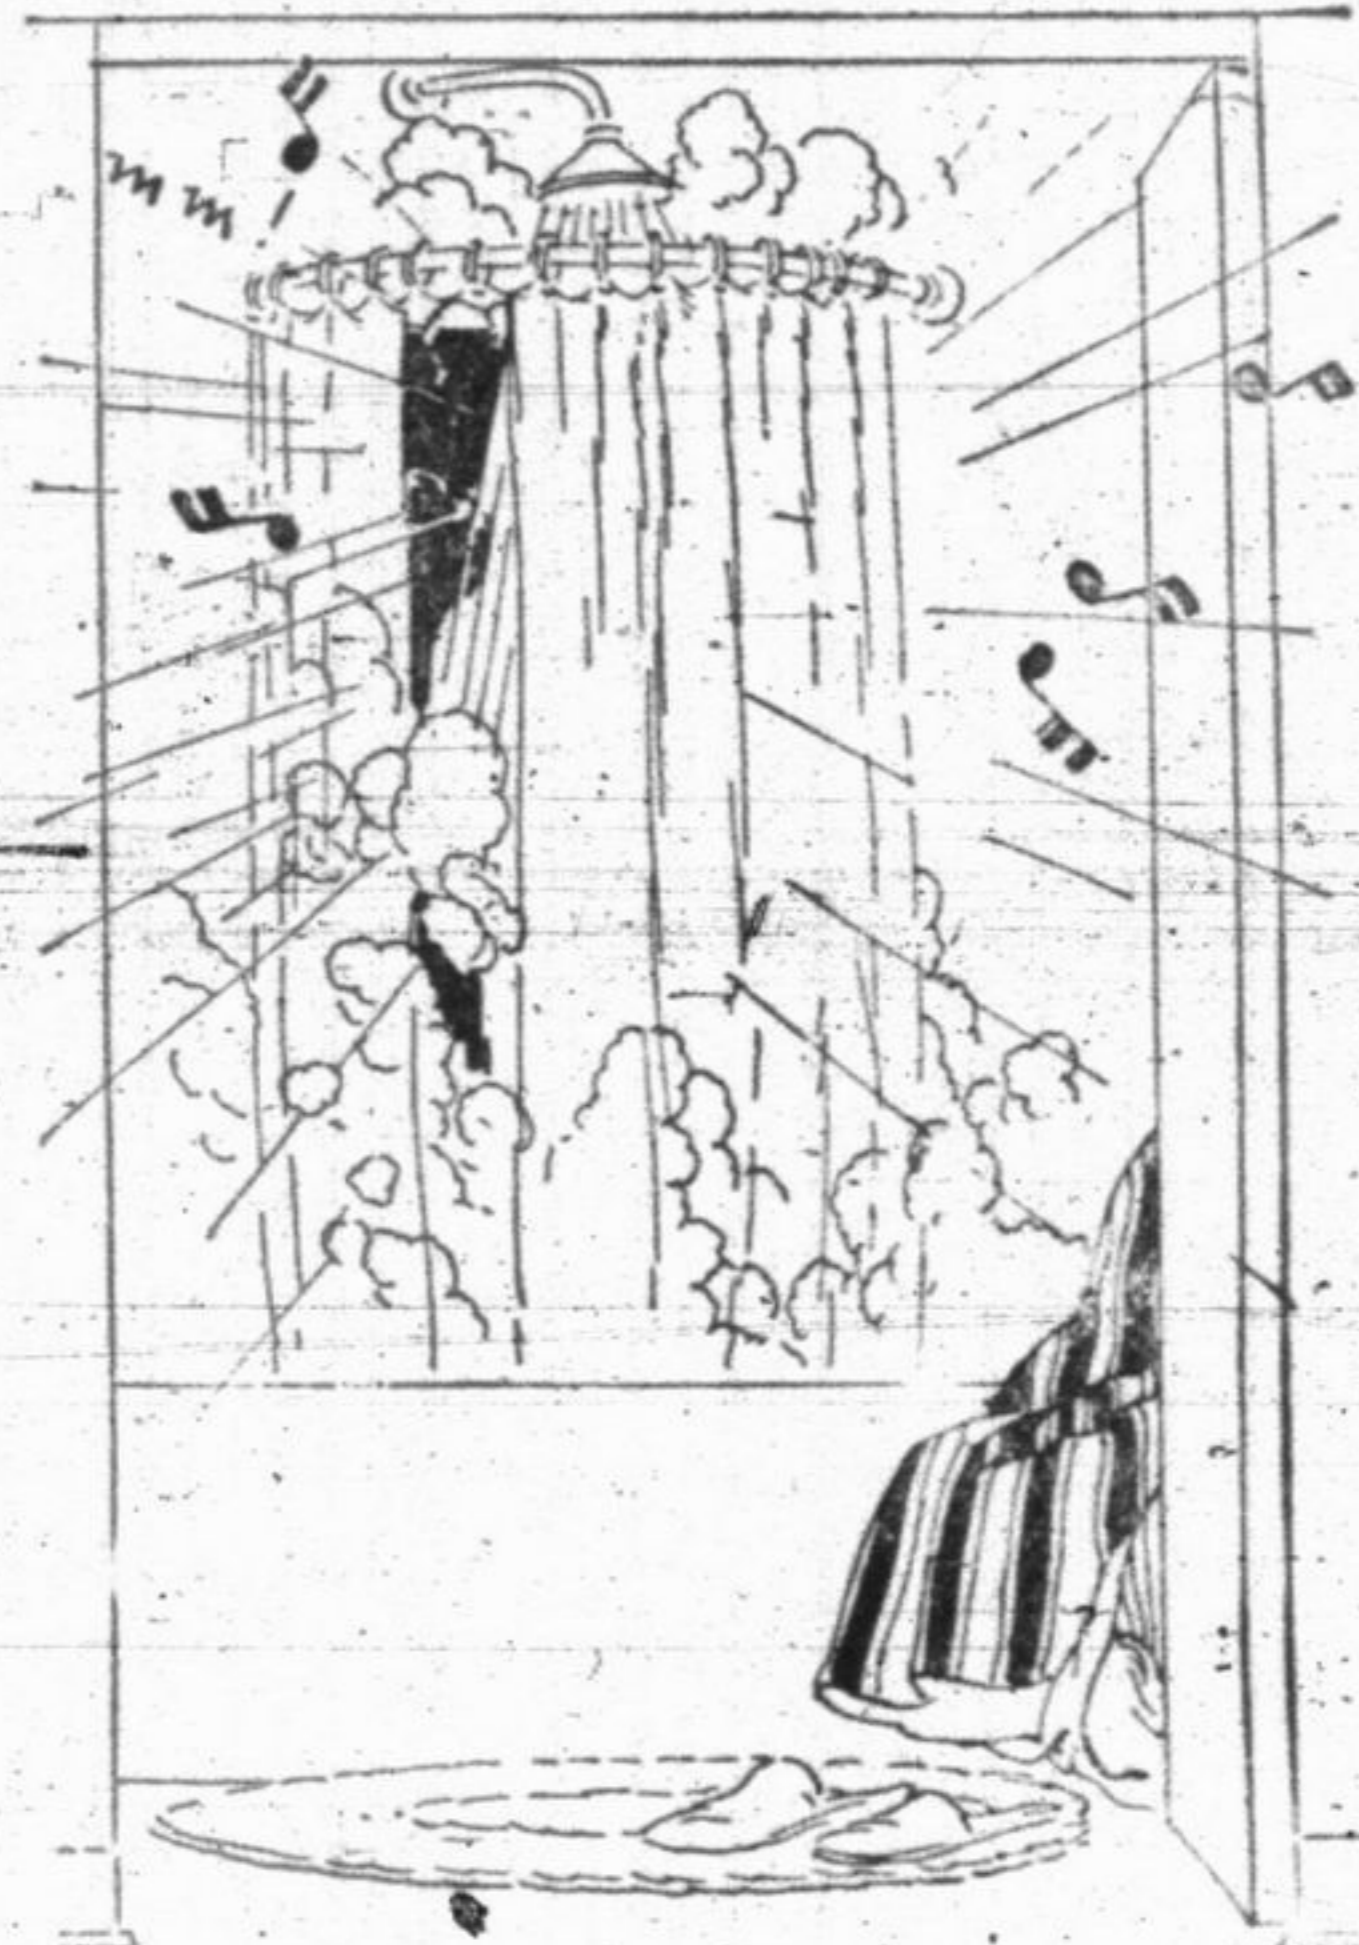

**HOT! HOT! HOT!
WATER**

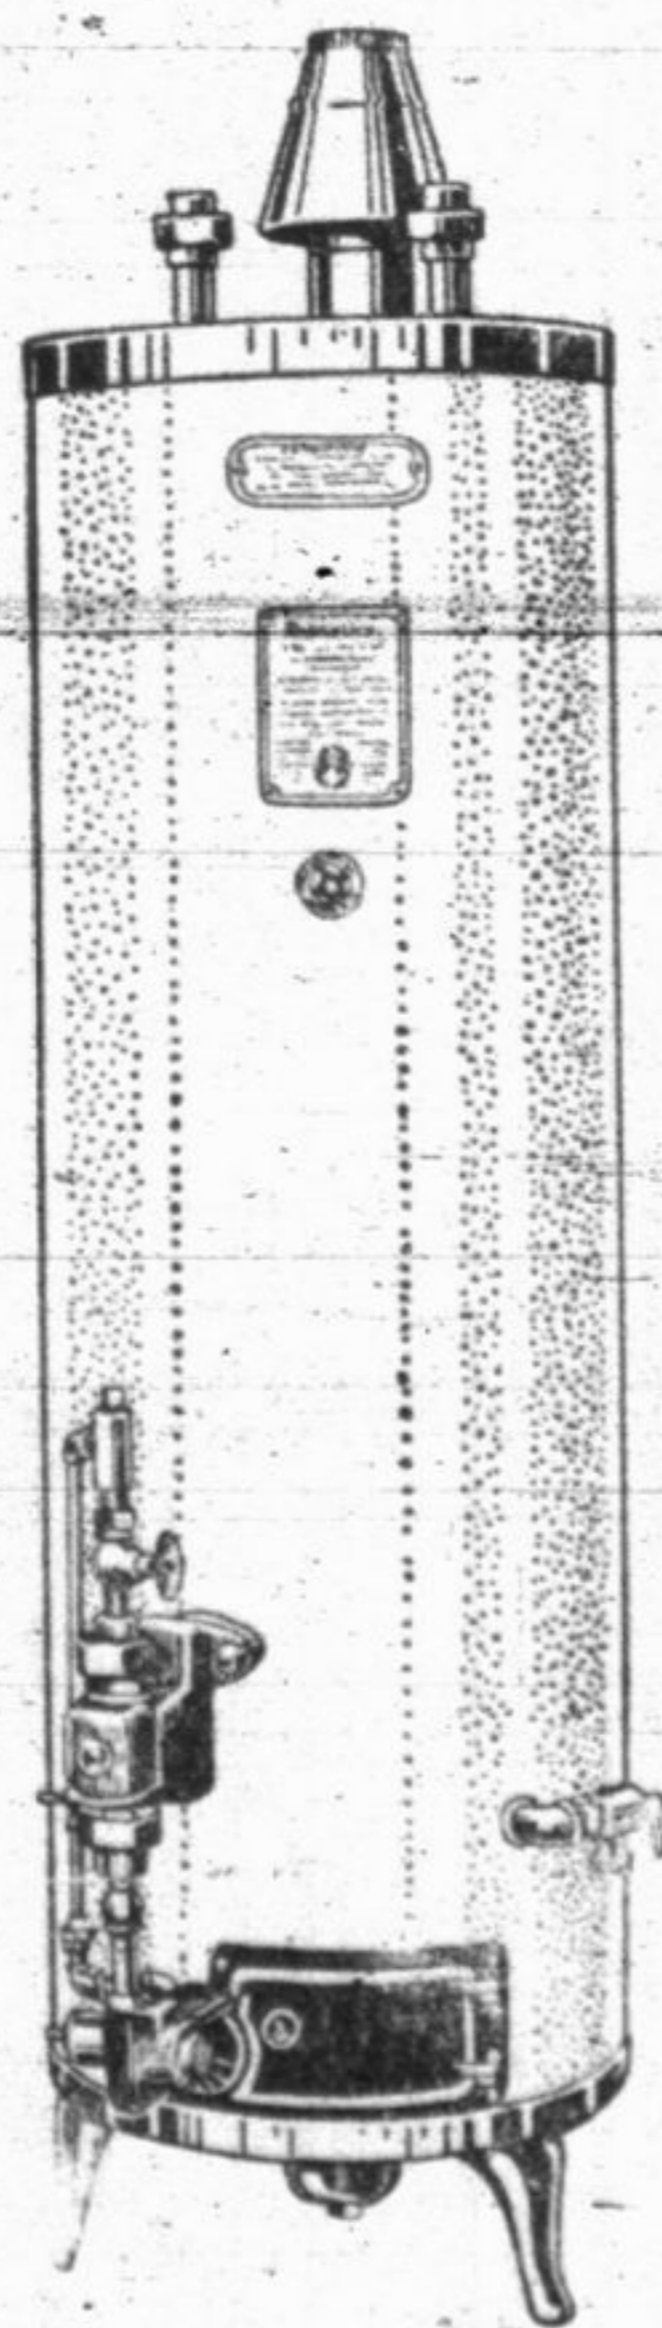

Out of the faucet it comes — in a cheering, abundant stream — at any hour of the day or night. *Never any waiting! Never any bother! Always there when you want it!*

Summer's depressing heat is washed away as if by magic when you step into a tub of hot water or duck under a shower that sprays that hot water tonic upon you.

If you are wondering how hot water is to be obtained in your home — consider the ease and certainty of having it with an

**Automatic
Storage Gas
Water Heater**

Thousands of families — many of them your neighbors — receive their hot water supplies with *Automatic Storage Gas Water Heaters*. These families are enjoying a convenience that can be had only with this appliance. You can enjoy it, too! Our *Automatic Storage Gas Water Heaters* are moderately priced and may be had in many sizes. Come in, or ask us to send a representative — without any obligation to you — to tell you more about this modern hot water service.

**LIBERAL
ALLOWANCE**

on your present
water heating
equipment

*In summer, everybody knows,
Hot baths are good and cooling.
They give you vim and vigor
And vitality. No fooling!*

*Complete your comfort if you have
Hot water flowing ready
By day, by night, and all the time,
To keep you feeling steady.*
