Automatic Storage
Gas Water Heater

Real Warm! Weather Joy!

HOT WATER

at the turn of a tap

Sizzling summer days. Oppressing heat. Energy gone. Easily fatigued. Nerves on edge.

Then_____

A good warm tub or shower. It's a tonic—stimulating—soothing—refreshing!

But don't be forced to get your hot water under difficulties. Know the unequalled pleasure of having a steaming flood instantly; easily; at any time you wish—with an AUTOMATIC STORAGE GAS WATER HEATER.

Just make a small down payment and the heater will be installed in your home. Pay the balance in 12 equal monthly installments with your gas bill. Come in or let us send a representative. No obligation to you.
