### Notable Pictures at the Deerpath Theatre

"Behind the German Lines," actual  
pictures of the World war taken from  
behind the German lines, is the strik-  
ing motion picture feature which will  
be shown at the Deerpath theatre on  
Saturday, June 8. Realism such as  
no other war film has shown is  
ascribed to the fact that scores of  
Germany army photographers con-  
tributed scenes for the picture, often  
at sacrifice of their own lives, it is  
said. The series of official pictures is  
declared to be authentic.

On Sunday and Monday Ramon  
Navarro comes in the great picture,  
"The Pagan," in sound and dialogue.  
Tuesday, Wednesday and Thursday  
the attraction will be Clara Bow, in  
"The Wild Party," her first all-talk-  
ing picture.

One good way to insure a good  
breezy atmosphere, which will blow  
anything off into the street, is to ar-  
range to put fertilizer on your lawn.

The boys should realize the cal-  
louses on their hands obtained by  
wielding the spade, are just as noble  
as those arising from the ball bat.

Anyway some of our people get  
a move on when a locomotive tosses  
their automobile into the air at the  
railroad crossings.
