A regular feature prepared each week by members of the Boy Scout Press Club

To Stage Scout Circus

The first meeting of Troop 33 after school closes will be known as a "Scout Circus" and will feature many events which will be executed as instructed in sealed orders to the patrol leaders. The patrols will be issued orders and assigned varying routes to the circus grounds and will also be instructed to do a number of activities along the way.

The events to be assigned for performance on the hike will consist of nature study, signalling, marching, judging, and several other scout activities—Troop Reporter.

Changes Meeting Night

Troop 33, of the Lincoln school, will not hold meetings this week or next according to an announcement from officers of the troop issued last week. The troop will meet again, however, the week after next and will continue to hold meetings until the end of July according to present plans.

When the troop starts holding meetings again after the two weeks lapse, the meeting night will be changed to Wednesday, but as far as known at present the time of meeting will remain 7:30 p. m. — Troop Reporter.

Hold Outdoor Meeting

The last meeting of Troop 33 was held on Mosely hill opposite the Northmoor Country club to which the troop hiked from their meeting place, the Lincoln school.

Many tests were passed at the meeting and at the close there was a game of "Cops and Robbers."—Troop Reporter.

In Highwood Troop

Many things are happening around troop 36 of the St. James church, Highwood. We have started a library and any scout can get books when he wishes. It was a great success when the Boy Scouts of Troop 26 and 37 marched in the parade from the Oak Terrace school to Fort Sheridan on Decoration Day where we decorated the grave of the war heroes. We like the outdoors and are planning an overnight hike as soon as school is out. Baseball is our troop sport now and we start practice this week. We are saving money for equipment.—Troop 36, scribe and reporter, Ernest Santi and Massimo Gaulandi.

First Camp Period Closed

Already applications have for the first period of Camp Ma-Ka-Ja-Wan

reached the 100 mark and the period is closed to further applicants. However, there is room in the second and third sessions. These are also filling rather fast so register now. It looks like a shortage of places might result so be prepared, and send your signed application to Boy Scout headquar-

COME ON IN, THE WATER'S FINE AT CAMP —

ters, Highland Park. We can only accommodate a hundred a period this year.

In Memorial Day Services

In each of the twelve towns in the north shore area council, Wilmette, Kenilworth, Winnetka, Glencoe, Highland Park, Highwood, Lake Forest, Glenview, Northbrook, Deerfield, Libertyville and Mundelein, scouts took an active part in the Memorial Day services. They participated in many different ways, by parading, flag raising and lowering, church services, short demonstrations, decorating games, as color guards, on traffic duty and as buglers. In each town scouts were on the job, exhibiting the training in citizenship they receive in their scouting program.

News Reports to Office

All troops in the council should, after next week, ending June 15th, send all reports of their activities to the Boy Scout Headquarters, 21 N. Sheridan Road, Highland Park. The office and this publication is anxious to have more articles concerning your troop activities. Especially is this so during the summer months when hiking and camping are at their height. If you go away on trips don't forget to write. Tell of the things that are of real interest to your brother scouts and you will see it published on this Scout News Page.

The reason for sending your news to the office is that Mr. McManus who has been meeting weekly in each of your towns to get the news from the scouts, to sell them equipment and to help the scribes, will be busy getting things ready for summer camp and will discontinue his weekly visit until next fall.

New Scouts

The north shore area council welcomes these new scouts into their brotherhood starting this week. We hope, new scouts, that you will take full advantage of the wonderful summer camping privileges you have at Camp Ma-Ka-Ja-Wan this summer. The new scouts for week ending June 1, 1929, are; Troop 32, Highland Park, Dexter Calkins; Troop 36, Highwood—Joseph Piliorne; Troop 71, Libertyville—James Copanos, Wesley Gratz, Howard Knox, John G. Snow.

Scout Broadcast

Through arrangements made with radio station WJJD which is operated by the Loyal Order of Moose of Mooseheart, Illinois, a monthly scout program is to be broadcast from that station. The programs will be strictly scouting. Station WJJD is a 20,000 watt station which operates on a frequency of 254.1 meters and 1180 kilocycles and can be heard throughout the United States, Canada and Mexico.

Message from Byrd

Through Capt. H. H. Raily, American representative of the Byrd expedition to the Antarctic, a message was sent in behalf of the national council, informing Commander Byrd of the presentation to him of the Silver Buffalo. The commander expressed his thanks for the honor in the following message sent through Chief West and received in time to be read at the banquet:

I wish to tell you, and through you Barron Collier and other members of the Boy Scout executive board, that there is no honor I would appreciate more than those ones from the Boy Scout organization, because I have

from the first, considered it as probably the greatest movement of its kind for the making of the right sort of men, manly and yet gently, decent and yet tolerant, strong and yet kindly. Therefore, undeserving though I am, you must know how much it means to me that you feel that I have been able to do something to forward the movement.

"This is a good chance to tell you that Paul Siple is everything that I think a young man should be. He lives up to your training and he has the respect, admiration and affection of every man in the camp."

Go to World Jamboree

There are still a number of places open to scouts wishing to go to the World Jamboree at Birkenhead, England July 31, to August 13, this fall, according to a report of James E.

West, Chief Scout Executive. The cost of this wonderful trip per scout is \$550.00 including all transportation with extra side trips. It will be the chance of your life scout if there is any possibility to go. When 50,000 scouts from all corners of the globe camp together, something has got to happen. Think it over, talk it over, see what the parents have to say. If you wish to consider it, get in touch with Boy Scout headquarters, Highland Park 2431 as soon as possible.
