Some of our local business men
have responded to the letter sent them
and have given articles for prizes of
value. Their names will be withheld
until others have been given an op-
portunity to contribute.

Sunset Wood

The dance at Sunset Wood was
again a success although the cold
wind which came up about eleven
o'clock caused a cessation of the
dance when it was at its height.

The usual indoor ball games in the
evening drew many spectators and
are really well worth coming to see.

An announcement was sent out to
the parents and children who might
be interested in the playground which
opens June 24th. This summer's
playground activities will be greater
than ever. The parents are urged to
co-operate with the playground di-
rectors in making a success of it in
every way. Keep the children off the
streets. Send them to your play-
ground where they will receive in-
struction and supervision of the high-
est type.

The Highland Park Cricket team
again came out victorious on Sunday,
playing the Melbourne Cricket team.
The results will be found in another
column of this issue. This game is
attracting much attention and should
receive the public's support as a well
worth while sport.

Bowling Green

The bowling green at Sunset Wood
is in fine condition and a club should
be organized to compete with other
similar organizations on the north
shore. This too is an interesting
game that most anyone would find
healthful exercise and amusement.

The playground directors will meet
on June 20th to formulate their final
plans for the season.

Glencoe Masons Golf Tourney at Briergate

Members of the Glencoe Masonic
lodge are enrolling now for the an-
nual golf tournament sponsored by
the lodge, which is to be held at
Briergate club Friday, June 14. Play
will continue throughout the day over
18 or 36 holes. There will be a var-
iety of awards in the many features
planned for the tournament. Dinner
will be served at 7 o'clock after which
prizes will be distributed. Members
of the Wayfarers' club will provide
a program of music. The golf com-
mittee is comprised of Robert C.
Brown, chairman; Fred W. Hill, Dr.
C. W. Johnson, and Stewart Purdy.

The many people who demand
thrills frequently succeed only in get-
ting ill.

President Hoover being a devotee
of camping out, any of us who want
a good man along to pitch the tents
and gather the firewood might invite
him.
