?

**Hold Chicago Man
in Death of Woman**

M. Olzewski, alleged Chicago hit and run driver and traffic cutting motorists, last night was held responsible for the death of Mrs. C. O. Furbeck, of Wadhams Grove, by a coroner's jury in Cook county and was placed under arrest on manslaughter charges by Deputy Sheriff John DeSchmidt at the direction of State's Attorney A. V. Smith.

The coroner's probe was held at Wheeling last week, where Mrs. Furbeck died after the sedan in which she had been riding was struck and forced into the ditch by Olzewski on Route 21 near Lake Villa.

Recommended Held

The jury recommended that Olzewski be held to the grand jury on manslaughter charges after hearing the testimony of Jens K. Doe, 2117 Bissell avenue, Chicago, and owner and driver of the sedan in which Mrs. Furbeck was fatally hurt and her husband critically injured.

Olzewski was brought back to Lake county to face the manslaughter charges because the accident occurred in this county. Deputy DeSchmidt signed the warrant against Olzewski.

He: I shall never marry until I meet a woman who is my direct opposite.

Her: Well, Roger, there are a number of intelligent girls in this town.

**Big Farmers Picnic
at Model Farm Near
Mundelein on June 18**

Plans are nearing completion for the Farmers' picnic, to be held Tuesday, June 18 at the Public Service company's Model Farm, jointly by the Lake County Farm Bureau and the Lake County Pure Milk association.

Much interest is being displayed in the horse-pulling contest, according to H. A. Pfister, general chairman of the committee on arrangements, and H. C. Gilkerson, Farm Adviser, who is handling the registration of the teams, has asked that all entries reach his office before Friday, June 14.

Professor Duffee of the University of Wisconsin and his two assistants who will be the official judges of the horse pulling contest, have promised to have their "dynamometer" on hand for testing and recording the strength of the horses. Many farmers in this section who have seen similar contests say that the "dynamometer" adds much interest to the exhibition. The arrangement committee has announced that the owner of the winning team will receive a cash prize of \$50.00. The other cash prizes will be awarded second and third winners.

Among other features of the day will be the championship horseshoe pitching contest, which will attract some of the best players in the county. E. Harris, chairman of the entertainment committee states that the following experts at the game have already indicated that they will be present: Chris Gratzko, Joe Yore, Joe Atkinson and Tom Hoffman.

**Reach Agreement on
Old Palatine Railway;
Property to Be Sold**

After years of bickering a tentative agreement was reached last week before Circuit Judge Claire C. Edwards, sitting as a referee in the interest of the defunct Palatine, Lake Zurich & Wauconda railroad, that will ultimately result in a sale of the property, it was learned.

Representatives of bondholders, who own 85 per cent of the stock; and three representatives of 95 per cent of the other 15 per cent of stock, ended the session in perfect harmony and consented to steps that would lead to clearing the title of the railroad that has been so badly clouded that sales could not be considered.

From what could be learned it is the intention of the purchasers to "junk" the property as far as railroad purposes go.

According to the agreements permission will be given to amend the suit now pending and confirm the appointment of the receiver and his acts in office.

Agreement to sell a certain part to the Methodist church at Wauconda for a site also is included.

In addition authorization to settle the difficulty with Wauconda Golf club was made.

GOODYEAR

This one fact overrides
all argument —
**MORE PEOPLE RIDE ON GOODYEAR
TIRES THAN ON ANY OTHER KIND**
— and it's **MILLIONS**
more people Today!
