

**The Bethany Evangelical Church**  
Rev. H. F. Siemsen, Pastor  
The Children's Day service was well attended last Sunday, and the children were at their best. Their work showed consistent and faithful effort on the part of their instructors and leaders.

The congregation enjoyed another rare treat on Sunday evening, in the fact that they were privileged to listen to a message given by one of its honored members Dr. Howard Kuist, an instructor in the New York Biblical Seminary, who is visiting with the home folks at the present time. Dr. Kuist has received a years leave of absence and is being sent to the University of Berlin and other European universities for advanced research work, by the institution in which he is teaching at the present time.

The WMS meets this afternoon at the home of Mrs. Walter Meierhoff, 445 Glencoe avenue.

Sunday school on the coming Sunday will meet again at 9:45, our classes are well graded and our departments are organized according to the best methods in Religious Education, thus there is a place for every individual regardless of age. The pastor will use his subject "Faith in an Earnest God," in the 11 o'clock service. In the evening he will speak on "Back to the Old Life." The E. L.C.E. will begin at 7:15 at which time the young people will discuss the topic.

On Monday morning, June 17 will be the opening of our Daily Vacation Bible school. All children regardless of faith or creed, who are not attending elsewhere are welcome to come to our school. The school will close on the 3rd of July, much intensive and enjoyable work will be done during these 3 weeks. All parents interested in having their children learn more about the Bible, and having them receive special instruction in the building of Christian character, are urged to send their children.

**H. P. Cricket Team Wins 3rd Straight Victory on Sunday**

The Highland Park Cricket club won its third straight victory on Sunday, June 9th, defeating the Melbourne C. C. by 31 runs.

Highland Park passed the visitors' total of 71 with five wickets in hand, but batted through the side to afford practice for all its players. The batsmen upon whom Highland Park will depend for many runs this year found their eye last week, and five of the side broke into double figures, with top score going to Sharpe. Brown made Highland Park's first hit for six of the season.

Complete scores follow:

The local club will travel to Evanston on Sunday next, June 16, where they will play the Chicago Cricket club. It hopes that some local support will follow it to the Public Service grounds at McCormick Blvd. and Oakton street, Evanston.

The newspapers tell about cake making contests, but cake eating ones would get more competitors.

**Play Ground Staff Is Composed of Officials Experienced, Efficient**

The Park Board provides a play ground staff of ability and experience, the personal of which is Mr. Jonas G. Frederickson, director in charge with two years at North Western, two years at State Normal of Michigan specializing in physical education and play ground activities and three years teaching in Illinois; Miss Katherine Victoria Cancie, who comes with four years of Chicago Turngemeinde, American college of Physical Education, De Paul university and Lewis Institute. Miss Cancie has had considerable active play-ground experience. Miss Jean Brockway comes with qualifications of four years Ottawa high school, four years at Northwestern taking B.S. degree and with Evanston and Kenosha play ground experience.

Mr. Frederickson is a man of ability and an organizer of reputation and experience. Miss Cancie comes to us highly recommended by Mr. Allen of the Play Ground Association of America as does Mr. Frederickson, while Miss Brockway comes with her experience at Evanston under the

direction of Mr. Bechtold, the able supervisor of well known reputation. Highland Park is most fortunate in having secured a play ground staff of such ability and experience. The staff will conduct the activities under the direction of the secretary and superintendent of parks.

**Weapons Are Stolen from Residence Here**

A Remington automatic shot gun in a light brown leather case, a German Luegger automatic pistol with extra clip and holster, and a Smith and Wesson 38 calibre special revolver, also in a holster, were stolen from his home, 241 North Second street last Thursday night, according to the report made by Ed Eickler to the police.

Eickler said that he was in the habit of leaving the house unlocked when the family was at home, even after they had gone to bed. He expects to change his habits.

The police have followed several clues as to the identity of the burglars and in the meantime Chief Ed Maroney issued a warning to police in surrounding cities to be on the lookout for holdup men who might be too well armed.
