

### Real Estate Board Met Monday Evening

The regular monthly meeting of the North Shore Real Estate board was held at the Green Tea Pot tea room in Highland Park. One of the features of the meeting was a series of five minute talks given by various members of the board elaborating upon the desirable features of their respective communities. Mr. A. J. Woodcock of the Wilmette Realty was unanimously chosen as having delivered the best talk.

Mr. Perkins, publisher of the Chicago Sky Lines delivered an interesting talk on real estate advertising. The membership committee submitted the names of Mr. Butler of the Glencoe Citizens State bank and Mr. Tennerman of the Kapschull Realty Co., Deerfield. They were unanimously elected into membership. The place for the next regular meeting will be selected by the executive committee to be announced later.

### Children's Room Open

The children's room at the Highland Park Public library is open all day during the summer months from 9 to 12 and 1 to 6.

Don't forget the children's story hour every Wednesday morning at 10:30. When the weather is suitable the story is given on the lawn in the rear of the building.

### Heart Tag Day to Be Held Here Saturday

Permission has been given by the city council to a representative of the Volunteers of America to hold their sixth annual "Heart Tag Day" in Highland Park on Saturday, June 22.

The Volunteers of America is an organization established in 1863 by Gen. Ballington and Mrs. Maude Ballington Booth and is devoted to spiritual work among the men who are behind prison bars.

The committee sponsoring the tag day is, Mrs. W. A. Alexander, Mrs. W. C. Shipnes, Mrs. Erastus R. Phelps, Mrs. O. L. Olesen, Mrs. J. B. Garnett, Rev. C. Keller, Mrs. Bruce Chandler. Miss Iris Gaudin will have charge of the Young Peoples work and finances in the Y. W. C. A.

Invitations to help sell the "Hearts" have been mailed to the girls and as contest incentives the merchants and theater manager have offered some very attractive prizes and movie passes to those who secure the largest amounts for their tags.

For the first prize W. M. Dooley will give a \$2.50 gold piece. For the second prize the Sweetland Pharmacy will give a No. 2 "A" Camera. The Loretta shop will give a \$3.00 silk scarf for the third prize. Earl W. Gsell & Co. will give a \$2.50 vanity case for the fourth prize. For the fifth prize the Central Hardware Co. will give a pair of ball-bearing roller skates and J. B. Garnett & Co. will give a \$2.00 pair of silk hose for the sixth prize.

Those who do not win prizes but secure at least \$3.00 for their tags will receive two passes to the Alcyon theater.

The "Hearts" will sell for a quarter, dime or half dollar and the committee hopes every one will take this opportunity to help a good cause.

### Honors Distributed at Deerfield-Shields Graduating Exercises

Before an assemblage of parents and friends that packed the huge auditorium of the school the Deerfield-Shields high school class of 1929 was graduated and honors distributed. The address was delivered by Dr. Thomas Nixon of Harvard university.

In the distribution of honors Barbara Shipnes, the valedictorian of the class, received the medal for outstanding scholarship, and Kenneth Wessling was picked as the best athlete. The medals for these two awards are furnished by Dumaresq Spencer post of the American Legion.

The faculty medal for the best all-round student went to William Gifford and Brainerd Chapman was awarded the cup for the best speaker. Robert Hall was presented the certificate which he won in the American Chemical society contest as the best written by an Illinois student on "Chemistry in Medicine."

The 176 diplomas were presented to the students comprising the largest class in the history of the school, by Mr. George T. Rogers of Lake Forest, member of the board of education, and the honors were presented by Principal R. L. Sandwick.

Some of his friends and relatives were disappointed when Victor Glader did not come forward to receive his diploma with the rest, but he received it later.

### Now Is the Time For More Reading

The vacation season has arrived! With the approach of the summer months our rush hours are over; at least the summer months are not conducive to so much hurry, and the countless activities which beset us on all sides from fall to spring are gradually dying away. Then it is that we turn to our much neglected reading. However, all is not solved, for, having the time, we are confronted with the problem, "What particular books of all the existing myriads shall I choose to make my reading most effective and satisfactory?"

How often have we come to the end of the summer and realized again that we have followed the course of least resistance! We had picked up a novel about which we had heard, a detective story which some one has recommended, or a book of travel which looked attractive on the outside, but proved "dry-as-dust" inside, and we found ourselves—mentally—in September just where we were in June!

If we lived on a desert island such snail's progress might be justifiable. But, living as we do within almost a stone's throw of the Public library, so to speak, why not avoid this disaster by following a definite line of reading during the next few months?

The Highland Park Public library has many helps for outlining such courses and are granting special vacation privileges. Beginning June 1, you may take books for vacation use to be kept until October 1, if you are going out of town.

Going into the "wilds" does not necessarily mean being deprived of these estimable companions, books.

### Getting Beaches Ready for Swimming Season

Edward M. Laing, superintendent of parks, is preparing the beach at the foot of Park avenue for use of the home public and will condition the old Central avenue bathing beach as far as possible under the adverse conditions existing there due to the construction work now progressing.

A guard will be placed at the Ravinia beach to regulate the use by non-residents as was done last summer. Mr. Cox, who was so popular with the residents of that section last summer, is again on duty.

The same arrangement of identification cards will be used this season. They may be obtained at the beaches or at the park board office, 543 Central avenue.

### Issue New Stamp for Electric Jubilee

During the next few months, "Light's Golden Jubilee," the nationwide celebration in commemoration of Mr. Thomas Edison's development of the incandescent electric lamp fifty years ago will take place. The program of celebration which will take various forms in cities throughout the country, will culminate in a banquet on October 21 at Dearborn, Mich., where President Hoover will pay a tribute to Mr. Edison to be broadcast over a national and international radio hookup.

In view of the national significance of Light's Golden Jubilee the United States government has seen fit to recognize the event by issuing a special two cent postage stamp. The stamp contains a picture of an electric bulb casting a light and has the words, "Edison's first lamp, Electric Light's Golden Jubilee."

### Ravinia Garden Club Winner of Awards

The Ravinia Garden club made two entries in the Lake Forest Flower show Saturday, June 15 and won first prize on the entry of two identical containers with different bouquets and third prize on two identical bouquets in different containers. The flowers were columbine and iris.

The committee consisted of Mrs. Ross Marvin and Mrs. R. McKnight and the flowers came from the gardens of Mrs. Charles Brackett, Mrs. R. Meus, Mrs. E. Leonard and Mrs. F. Gault, members of the Garden club.

### Tennerman in Charge of Kapschull Office

William Tennerman is in charge of the real estate office of Charles C. Kapschull at Deerfield and is conducting all the realty business for Mr. Kapschull, who is at present very busy with his contracting work and road construction projects. Mr. Tennerman is experienced and courteous and under his management the realty business of Mr. Kapschull will undoubtedly be handled satisfactorily.

Indignation will be manifested by many town boosters, if the census takers fail to count people, but it will be hard to manifest equal disapproval if they count some people twice.

### Carewe's, Renowned Movie Couple are Rewed Here Sunday

Edwin Carewe, movie producer, and Mary Akin Carewe, his former wife, were remarried at 5 o'clock Sunday afternoon in the home of the bride's sister, Mrs. William A. Gibson, Jr. 363 Orchard lane, Highland Park. The Rev. Frank Fitt, pastor of the Highland Park Presbyterian church, performed the ceremony.

The reunited couple departed Monday for New York and will sail Friday on the Majestic for a combined honeymoon and business trip in Europe. Accompanying them is Finis Fox, scenario writer and brother of the groom, and Mrs. Fox.

The wedding was of the simplest type, with only members of the families present. The two small children of the Carewes, Billy and Sally Ann, were not on hand, however, to see their parents rewed. They are in a summer camp in California.

After the ceremony a small reception was held, the guests being Mr. and Mrs. George E. Banister, Mr. and Mrs. G. A. Buhl, Mr. and Mrs. H. E. Nunn, Mr. and Mrs. Taylor Strawn, and Mr and Mrs. W. D. Mann.

Mrs. Carewe, a former Lake View high school girl, graduated in 1920, wore a pale blue crepe ensemble trimmed in gray baby fox, beige slippers, small blue hat, and an orchid corsage with lilies of the valley. Notable in the costume were an elaborate pearl necklace with pearl drop and a large and intricately designed diamond bracelet, both gifts from the groom.

Mrs. Fox, who attended Mrs. Carewe, wore a white flannel sport costume, with yellow felt hat, and white shoes. She was without stockings.

The Carewes had been separated about eighteen months.

The couple had first planned to be remarried in September, they stated Sunday, but had hurried the ceremony because Mr. Carewe is to spend the next four months in Europe, principally in Spain, arranging for the screening of "talkies" there. Mrs. Carewe said that she did not intend to go back to the movie, where she first gained fame as an actress under the direction of her husband.

### Thursdays Ladies' Day at Lake Shore Club

The 1929 series of Ladies' day at Lake Shore Country club will be held every Thursday commencing June 27. Informal table d' hote luncheons will be held at one o'clock, folowed by bridge and Mah Jongg. Prizes will be awarded.

### Appoint Delegate to Welfare Convention

The county board last week approved a motion of Superintendent Arthur Vercoe that in accordance with the usual annual custom a delegate be appointed by Chairman O'Connor to attend the National Welfare Council convention with expenses paid. The convention this year will be held at San Francisco, the latter part of June. It is expected that Mrs. Mary Funk, county probation officer, will be selected as the delegate to attend.
