

### Train Kills Tailor at Lake Forest Depot

Frank Novak, 62 years old, of 1815 South Fifty-ninth avenue, Cicero, who worked at his brother's tailor shop in the Anderson building in Lake Forest, was fatally injured late last week, as he fell under the wheels of a moving Northwestern train which he was trying to board at Lake Forest. His skull was fractured and both of his legs amputated by the train.

He was extricated and rushed to the Alice Home hospital by Policeman Joseph Dunakin. A speedy operation failed to help him and he died shortly after six o'clock.

The body was taken to the Wenban

undertaking rooms where the inquest was held at 3:30 last Thursday and the jury returned an open verdict, merely finding that the deceased came to his death when he fell under a moving North Western train as he was attempting to board it.

### Oldest Native Resident Attends Waukegan Fete

William Whigham, 92 years old, of Libertyville, the first white child born in Lake County had a prominent place in the parade which marked the opening of the "Old Waukegan Days" pageant in the city recently. He rode in the first car in the old settlers' section. Besides being the first born he is also the son of the first couple to be married in Lake county.

### Increase Deerfield Precincts to Nine; Also Add 4 Others

Resolutions providing for increasing the number of precincts in Waukegan, Shields and Deerfield townships, were filed with the county board last Thursday and later approved.

Supervisor Matt Dilger reported that two more precincts are to be added in Waukegan township. This township now has 22 precincts.

The state law provides that precincts can be divided when the poll book show more than 800 votes cast in the last election.

Over 1,000 votes were cast in precincts 21 and 22 in North Chicago

at the last election, and, accordingly are to be divided.

The resolution provides that the territory from Tenth to Twelfth streets, North Chicago, be designated as precinct 20, from Twelfth to Fifteenth street, precinct 21; Fifteenth to Eighteenth street, precinct 23; and Washington street north to Grand avenue on Lewis avenue and all territory west, precinct 24.

Shields township is to be increased from six to seven precincts, Libertyville from 3 to 5 precincts, and Deerfield from 8 to 9 precincts.

### Attorney Diver Now Heads Bar Association

Attorney Clarence W. Diver, long a member of the Lake County Bar association, last week was elected president at the annual meeting at which Attorney Harold Hansen was named vice president and Attorney J. E. Bairstow secretary-treasurer.

Attorney Okel Fugua was the retiring president.

Diver pledged himself to serve the bar to the limit of his capacity.

A committee composed of Attorneys Diver, Fugua, Judge Claire C. Edwards, John Logan Boyles, Philip Populorum and Joseph Bishop was named to represent the bar at the state conference at Rockford June 27, 28 and 29. The membership of 66 lawyers allowed this county six delegates.

Judge Edwards and Martin C. Decker were re-appointed as members of the executive board.

It was agreed to close offices Wednesday afternoons during the months of July and August, although there was some sentiment in favor of closing Saturday afternoons.

### Supervisors Appoint Committee to Work Out Hospital Problem

Investigation of more equitable methods to provide hospitalization for indigent residents was authorized last week by the county board of supervisors and Chairman James O'Connor, Deerfield, appointed a committee of seven, including members of the Lake County general hospital committee, to gather data that would aid in solving the financial problem.

The committee, which will make its report at the September session of the board, is composed of Supervisor Edward Mawman, Lake Bluff, the chairman; A. W. Vercoe, Highland Park, chairman of the finance committee; Thomas V. Murphy of North Chicago; Supervisor Harry Stratton, Lake Villa, and the members of the hospital committee; Supervisor David Van Patten, Russell; Supervisor C. J. Wright, Warren township; and Supervisor Henry C. W. Meyer, of Mundelein.

Plans for the first sessions have been discussed already by Van Patten and Mawman. They would like to start as soon as possible.

Both of them agreed, after a short conference, that the investigation would follow the lines of a thorough study of the entire structure of financing and maintaining a county hospital. There was no criticism of hospital officials, it was explained.

The American people seem determined to lose their money in speculation, and if they don't succeed the first time, they try, try again.

# “My advice is to drink more milk”

ACCORDING to the highest authorities milk is the only food for which there is no effective substitute. And from the standpoint of health it is the most economical and beneficial food you can buy.

A quart of milk a day gives you energy and strength to resist disease. Its proteins build firm muscles and tissue. Its calcium content gives strength to bones and hardness to teeth.

Bowman's Milk combines all these health-building qualities with a most delicious taste. Due to the extra care we take in bringing it from farm to your table you will find it is extra-good—a milk full-rich in cream, fresh, sweet and unmistakably superior in flavor.

Order a quart today. It is an investment in health. Phone our nearest distributing station or order from the courteous Bowman milkman who passes your door.
