To Complete Quota for Boy Scout Fund

The Boy Scout work in the community has shown much progress. A large number of scouts have registered for the new summer camp.

Membership in the North Shore Area has been responsible for some splendid achievements during the past year. The council operates on a budget of \$16,500 and local share is only \$500 for the year 1929. Last fall a campaign was started and half amount was raised and only reason full amount was not subscribed was because the campaign was not completed. In view of the fact that the time is at hand for summer camping, etc., the committee in charge of the Boy Scouts in Deerfield is endeavoring to complete the task of raising the balance of quota and are looking forward with hope of receiving a generous response and Mr. Charles C. Kapschull, chairman, will be very glad to receive at a very early date any donation.
