Read It and Thirst

Chicago.—Six barrels of whiskey were sold at 14½ per gallon—back in 1861. The receipt for the whiskey was found by workman removing the foundation under an old house.

Says Brain Rules

Akron, O.—An active brain makes for happy old age, believes Madame Charlotte de Collere Davenport, who recently celebrated her 104th birthday. She is the mother of eleven children, the oldest of whom is past 86. She is married to a Washington newspaper man aged 56, who is her second husband.

Celebrating the sale of a Million Frigidaires

The Second National Demonstration of the FRIGIDAIRE "Cold Control" is now going on

The Frigidaire
"Cold Control"

The "Million
Model" Frigidaire
AP-4

The "Cold Control" is being shown in actual use. Delicious frozen desserts are being served. We're giving away a souvenir book containing recipes. We're displaying the "Million Model" Frigidaire. And we're making a special offer to all who buy Frigidaire before 10 p.m., July 3rd.

Here's a special opportunity to see exactly what the Frigidaire "Cold Control" does. You can see it in actual use. You can see it doing the same things it will do in your own kitchen.

Frozen desserts served
all this week

WE want you to know all that it means to have a truly modern mechanical refrigerator in your home. We want you to taste the frozen desserts we are serving. We want you to get a complimen-

tary copy of the souvenir book containing recipes.

And we want you to see the first showing in this city of the newest of all Frigidaires—the "Million Model" (AP-4)—a model made possible by sales that have passed the million mark.

This is the greatest value we have ever offered—a Frigidaire finished inside and out with gleaming porcelain enamel. And the price is only \$205* completely installed.

Plan to be our guest. We are open evenings until 10 o'clock.
